

The Yun Family's Ninth Child is an Imp! Chapter 2294

Yun chujiu did not like Ge Shi. Although she was not sure if she was the culprit that caused her mother's expulsion, she could tell at a glance that she was not a good person. Torturing her to vent her anger was also good.

Therefore, Yun chujiu secretly poked Ge Shi's sore spot, and Ge Shi immediately wailed like a ghost.

Yun chujiu pouted and said to the people in the room, "To be honest, I only forced her with a knife. I did not hurt her. TSK TSK, the wife of the head of a first-class family? She is simply a shrew!"

Although the maid in the room was from the Ge Shi, she also felt that the Ge Shi was a little embarrassed. That Mo Fangcao didn't hit or hurt you, so why are you howling?

"Little B * Tch! You'll die a horrible death! Just you wait, Don't fall into my hands, or I'll kill you! I'll definitely kill you! You're just like that little b * Tch Ye Lan, a B * Tch!"

Yun chujiu did not say a word and just let her scold as much as she wanted. After all, the recording stone was recording everything!

Ge Shi was in too much pain, even ye Yuanliang was filled with hatred. "It's all that B * Tch's fault! She just had to pamper a B * Tch who had thousands of people riding on thousands of people to sleep with you. Fortunately, my heart is good. Otherwise, there would be no way for US mother and daughter to Live!"

Yun chujju frowned. From what she heard from Ge Shi, her grandmother was from a brothel? For a brothel girl to marry into a first-class family, one could imagine the torture she had to endure.

Just as Ge Shi was cursing loudly, an angry shout came from outside. "Slut! Shut Up!"

Yun chujju knew that either her grandfather or Old Master Ye had arrived, so she secretly put away the large kitchen knife, she jumped to Ye Bingyu's side and howled, "Second aunt! Second aunt! SOB, SOB, it's all my fault. I didn't Stop Old Madam Ge in time. If anything were to happen to you, how would my sister Bingyu Live?"

Min Shi was so angry that she almost turned into a corpse!

What is this little girl singing? So it turns out that I pretended to faint for you?

Ye Bingyu, who was kneeling by the side, was dumbfounded!

How could a person be so shameless?

However, she would not be foolish enough to expose it. After all, it would be best if she could see that Ge Shi was unlucky.

The person who walked in from outside was ye Yuanliang. Old Master Ye was out on business. When he received ye Bingyu's voice transmission talisman, he asked ye Yuanliang to stop Ge Shi.

Ye Yuanliang originally thought that by sending a voice transmission talisman to Ge Shi, Ge Shi would be able to restrain herself. Who would have thought that ye Bingyu would tell him that Ge Shi wanted to kill Mo Fangcao even more. Only then did ye Yuanliang rush over.

Ye Yuanliang had thought that the first thing he saw when he entered the house was that poor granddaughter being pressed to the ground by everyone and was about to be beaten to death. However, when he saw the situation inside the house, he was a little confused.

Ge Shi's poisonous woman was wailing like a ghost and howling like a wolf. His second daughter-in-law fainted on the ground. Two little girls were crying beside her. Although he had never seen one of them crying with Snot and tears in her eyes., but one look and they knew that she was the daughter of the LAN girl.

What on Earth was going on?

Yun chujiu secretly pinched Min Shi. That meant that she should wake up. Otherwise, how could she continue singing?

Min Shi could only open her eyes. She heard a sharp cry beside her. "Second aunt! You're finally awake! Sob, SOB, I thought you were going to die from anger! My poor second aunt!"

Min Shi felt that her acting skills had already reached perfection. After all, the entire ye family now believed that second madam was the most gentle and weak person. Who would have thought that she could be compared to this niece? F * ck, she was simply too weak!
