

The Yun Family's Ninth Child is an Imp! Chapter 2305

Ye Zhiyong sighed in his heart. Although he was honest, he was not stupid. How could he not see that Ge Shi did not like him? Even his wife and daughter were implicated. He really could not understand. They were both biological sons, why was he not liked by Ge Shi?

Just then, Min Shi walked in with a pale face. One look and it was obvious that her body was weak.

Ye Zhiyong could not help but feel pain in his heart. He quickly went forward to support Min Shi.

Just as Ge Shi was about to flare up, Ye Yuanliang and ye Zhihui walked in. Both of their expressions were not very good. Ye Yuanliang was because of the Ge Shi Matter, and Ye Zhihui was because of the thousand-year-old fire marrow matter.

Ge Shi was afraid that Ye Yuanliang would look for her to settle the score from yesterday, so she did not dare to speak anymore. However, she glared fiercely at ye Zhiyong. Her meaning was self-evident. She warned him not to agree to the succession.

Ye Yuanliang didn't even glance at Ge Shi. He sat on the right-hand side of the main seat.

In the immortal Yuan continent, the right was revered. Therefore, when the Ye family was discussing matters, it was always the men who sat on the right and the women on the left.

Naturally, it wasn't good for Liu Shi to massage Ge Shi anymore. She twisted her waist and sat on the seat next to Ge Shi. Ye Bingying sat next to Liu Shi. Min Shi sat next to Ye Bingying.

According to common sense, Min Shi should sit next to Liu Shi. After all, Ye Bingying was a junior. However, Ye Bingying relied on her favor and always sat like this. No one said anything.

For a moment, the room was completely silent. At this moment, a maid shouted, "The old master is Here!"

Everyone stood up and looked towards the door. They saw the old master walking at the front with two young girls following behind him. One of them was Ye Bingyu while the other young girl walked over slowly. They could not help but have an illusion, Ye Lan is back?

The anger in Ge Shi's heart rose immediately. She wished that she could strangle Yun Chujiu to death. However, the old master Ye had accumulated a lot of power. Even if she hated him to death, she did not dare to show it on the surface.

Yun Chujiu followed behind the Old Master Ye. It was as if she was a fox taking advantage of the Tiger's power. This fellow was proud in his heart. It felt good to follow a big backer in. No one dared to give this young lady any face.

Ye Bingyu saw that there was nothing wrong with her mother and heaved a sigh of relief in her heart. It had to be said that although this Yun Chujiu was a little useless, the bad water was still quite effective.

Ye Bingyu gave Yun Chujiu a look and then stood beside the Min Shi. Yun Chujiu stood in the middle and did not move. She was the main character today. Before Old Master Ye gave her a status, it was naturally not good for her to take a seat.

After Old Master Ye took a seat, everyone bowed and greeted him. Old Master Ye waved his hand and everyone took their seats again.

Old Master Ye went straight to the point and said, "I think all of you know that little ninth girl is the daughter of Lan Girl. Although LAN girl was removed from our Ye family's name, you all know the truth of what happened back then.

Little Nine suffered a lot, and she has the blood of our Ye family flowing through her body. It was really too unfair in the Mo family, so I decided to put her under Zhiyong's name.

Don't use the name that the Mo family gave her. Just use her previous name, Yun Chujiu. You can call her little nine. As for how to address her, it's still up to Little Lan. You can call her whatever you want. Little Nine, you should greet everyone!"

Yun Chujiu's eyes curved as she first bowed to Old Master Ye. "Little nine greets great-grandfather. I wish great-grandfather eternal happiness and longevity. Little Nine will definitely be filial to you in the future."
