

## The Yun Family's Ninth Child is an Imp! Chapter 2328

Ye Bingyu was dumbfounded!

The thrilling and bizarre process had already exceeded her imagination. There was actually no fire in the belly of the mountain? She had even encountered a fire eating Xiu and two three-eyed purple-tailed iron-clawed eagles?

In the end, not only did this fellow escape unscathed, he had even picked up the corpse of a three-eyed purple-tailed iron-clawed eagle for nothing?

Yun Chujiu's story was something she had thought up after much thought. Although it sounded a little strange, half of it was the truth. Even if the Ye family sent people to check, the belly of the mountain was indeed empty, and they could still find the Fire Eating Xiu. Moreover, there was the corpse of a three-eyed purple-tailed iron-clawed eagle as evidence.

However, the Ye family would probably not go. After all, a level 45 fire eating Xiu was not to be trifled with.

After a long while, Ye Bingyu finally regained her senses. She asked Yun chujiu a few more details, and Yun chujiu told her everything vividly.

Ye Bingyu sighed in her heart. This little jiu was really lucky. She actually encountered such a strange thing and did not die. Could it be that she was really a scourge that lived for ten thousand years?

“Oh right, how did your appearance become like this?”Ye Bingyu asked curiously.

“I accidentally got a disguise pill. After I ate it, my appearance became like this.” “Don’t worry. I’ll be able to return to my original appearance tomorrow morning.” “Now let’s discuss how to perfectly resurrect me!”Yun Chujiu said with a smile.

“Isn’t that simple? ! I’ll send a voice transmission talisman to great-grandfather. He will naturally be able to help you think of a good idea,”ye Bingyu said lightly.

“When we come up with a plan, we’ll naturally have to inform great-grandfather, but not now. “I don’t need to tell you that Ge Shi and the eldest branch have spies everywhere. They Can’t Wait for me to die, and they might take the opportunity to really kill me.

“Even if they don’t dare to kill me and take the opportunity to pour dirty water on me, I’ll die of grievance. I don’t want to be pointed at by others. “Moreover, if the news gets out, our ye family will lose an adult.”

There was another point that Yun Chujiu did not mention. This funeral was a good opportunity. It would be a pity if it was wasted like this! ! Then wouldn’t she “Die”in vain? !

“Little Jiu, what do you want to Do?” Although ye Bingyu did not beat around the bush as much as Yun chujiu, she was not stupid. She had heard the conversation between the Liu Shi and those people. She could criticize a dead person, if she knew that Little Jiu was faking her death, she would definitely make up something even more vicious.

“When you’re on night duty, think of a way to distract the others. Then, I’ll climb into the coffin. Tomorrow at the funeral, you’ll do this. Then, I’ll do this. Let’s put on a good show for them to see,” Yun Chujiu said slyly.

Ye Bingyu was dumbfounded after hearing it!

She felt that if she were to compare her brain to this pervert in front of her, her brain would be useless. This guy had too many bad ideas!

“Then, then what should I tell great-grandfather?” Ye Bingyu was now completely convinced by a certain Jiu’s black lotus skill. She simply listened to whatever she was told.

“We can’t tell him now. If we do, great-grandfather might stop us, and he might even leak the news. We’ll talk about it tomorrow morning. When you tell him, you’ll also be vague and say whatever you can.

“If he scolds you afterward, just say that I forced you not to tell him. If there’s anything, just push it on me. I naturally have a way to coax him into letting me off.”

If she told Old Master Ye in advance, there was an 80-90% chance that he would not agree with her approach. If that was the case, wouldn’t her bad intentions be in vain? !
