

The Yun Family's Ninth Child is an Imp! Chapter 2334

When everyone heard ye Bingyu's words, they started discussing again. "What this ye Bingyu said makes sense! If she was not tolerated by Tian Dao, how could she have lived to this age? She would have been wiped out by Tian Dao Long Ago!"

"That's right, for a little girl from a low-grade continent to have the current level of spirit energy and pill refinement, she must be a favored child of Tian Dao. Otherwise, she wouldn't have been able to do it."

"No Wonder Ye Bingyu said that third miss ye's aptitude is even higher than ye Bingying's. She has the heavenly thunder root, so naturally, her ordinary spiritual roots can't compare."

..

Ye Bingying's face flushed red when she heard everyone's discussion. Originally, Yun Chujiu was her inner demon. Now that she was dead, she was actually stronger than her. One could imagine the resentment in her heart.

Liu Shi understood her daughter. She was afraid that she would say something inappropriate, so she gave her a look, then, she said to ye bingyu, "Bingyu, even if what you said is true, little jiu is already dead. Stop making trouble and let her rest in peace!"

"No! Little Sister Little Jiu will definitely come back to life! Tian Dao will not let her die! Little Jiu! Little Jiu! Wake Up! SOB SOB!" Ye Bingyu cried as she patted the coffin lid.

Inside, Yun Chujiu was so angry that she was twitching. This idiot, was he trying to deafen her ears? ! He was too engrossed in the drama!

Yun chujiu could only cover her ears with her hand. Now was not the time yet. It was only after a while that she would have a good opportunity to leave.

Ge Shi really could not hold it in any longer. She glared at Min Shi. "Second Brother's family, why aren't you pulling that Lass bingyu up? What kind of shame is this? !"

Min Shi really didn't do it on purpose. She was shocked by Ye Bingyu's actions! A mother knows her daughter like a mother. She felt that ye Bingyu's actions were very abnormal, but she didn't look like she was crazy, so she didn't move.

Now that she heard Ge Shi's words, she could only walk up to Ye Bingyu and say gently, "Bingyu, I know that you and Little Jiu have a good relationship, but a person can not be revived after death. Be Obedient!"

As she spoke, Min Shi went to support ye Bingyu, she did not expect ye Bingyu to Hug Min Shi's leg and cry again. "Mother!"! Little ninth sister once told me that she would not die! I don't believe that she is really dead! If the coffin is nailed shut, little ninth sister will really not be able to live!"

Min Shi's eyes turned red. "Silly child, how can a dead person be resurrected? ! Quickly get up. Don't delay the time for the burial."

"No! Little Sister Jiu is the favored child of Tian Dao. She Won't Die! Her aptitude is better than sister Bingying's. She Won't die, she will bring glory to the Ye family!" As Ye Bingyu spoke, she continued to lie on top of the coffin and cry bitterly.

The people who participated in the condolence sighed one after another. This Ye Bingyu was really a girl who valued relationships. In the past, they even heard that she was arrogant and domineering. It seemed that the rumors couldn't be completely believed.

Ye Bingying's expression became even uglier. Every Time Ye Bingyu said that Yun Chujiu was stronger than her, the anger in her heart rose a little, she said to Ye Bingyu with a cold face, "Bingyu, it seems that you are really a demon! Not to mention that Yun Chujiu is already dead, even if she is not dead, the Ye family's name alone will not be her turn."

The moment ye Bingying's words left her mouth, everyone present was shocked. They were all shrewd people and immediately understood some of the mysteries behind it. It was likely that this ye Bingying was very dissatisfied with the dead third Miss Ye!

Liu Shi felt that things were not looking good and hurriedly added, "You child, you really can't put in a good word. Although you can't bear to see little ninth girl suffer, you can't say that either. Otherwise, people will misunderstand."
