

The Yun Family's Ninth Child is an Imp! Chapter 234

Yun Chujiu saw Du Guyi glaring at her and bared her little white teeth at him. "Master Du Guyi, don't you think my performance isn't bad? Aren't you going to reward me?"

Du Guyi was so angry that his nose scrunched up! 'Reward you?! I wish I could slap you to death!'

Master Xuanyuan laughed and said, "Master Du Guyi, you're too polite! This gesture of yours is commendable, as is expected of a sect master. Yun Chujiu, why don't you quickly thank Master Du Guyi?"

Yun Chujiu said with a smile, "Master Dugu, thank you very much! You're indeed the sect master of the Heavenly Gates Sect. Although you lost the competition, you're still rewarding me. You're really open-minded! You're so amiable and admirable!"

Du Guyi was so angry that he almost spat out a mouthful of blood!

Xuanyuan and Yun Chujiu! They were simply an old fox and a little fox! They really ate people without spitting out their bones! Not only did they lose 100,000 low-grade Spirit Stones to Spirit Radiance Sect, but they actually wanted him to give Yun Chujiu something. It was infuriating!

Even though Du Guyi was extremely unwilling, if he did not give her something, he would lose his reputation. Moreover, if this thing was not of a high enough grade, he would not be able to avoid being laughed at by others.

"Although you won by luck this time, I saw that you're still quite agile, so I'll give you this middle-grade spirit tool, the Scarlet Dawn Silk! However, you don't have any spirit energy, so I reckon you won't be able to use it!" Du Guyi could not help but say a few bitter words.

Yun Chujiu ran over eagerly and took the cloth. She said with a smile, "Thank you, sect leader Du Guyi! Although I don't have any spirit energy, this piece of Scarlet Dawn Silk is pretty. I'll tie it around my waist. It's very hot in the kitchen, so it'll be good to use it to wipe my sweat."

Du Guyi was so angry that he was twitching. 'That was a middle-grade spirit tool, and you're going to use it to wipe your sweat?! Is your sweat that precious?!

Everyone was also dumbfounded. The only person who would use a middle-grade spirit tool to wipe their sweat was probably that idiot, Yun Chujiu! What a reckless waste of a God's gift!

Su Yanran was simply about to explode from anger!

The sect leader had originally said that he would give the Scarlet Dawn Silk to her after the competition ended. Who would have thought that he had to give it to this thick-skinned Yun Chujiu!

'Yun Chujiu, sooner or later, I will kill you!'

Yun Chujiu did not care about what others thought. She tied the scarlet red silk on her belt. Alright, Yun Chujiu's current image was truly unique! On the left side of her waist was a bright red silk cloth. On the right side of her waist was a rolling pin, and on her shoulder was a fire-breathing crow!

Her aura could be described with one word! Awesome!

She was about to obtain ten thousand Spirit Stones, and she had obtained another tool!

She was in such a good mood!

Master Xuanyuan went up to the stage and spoke a few more pleasantries before the competition finally came to an end.

Yun Chujiu's reputation in Spirit Radiance Sect soared once again. The outer sect disciples and servants felt that even though she did not have any spirit energy, she was agile, thick-skinned, and evil. It was best that they did not offend her.

As for the inner sect disciples and true disciples, they did not take Yun Chujiu to heart. No matter how powerful Yun Chujiu was, she could not be compared to them. It was already good enough that she barely made it into the outer sect.

That night, Su Yanran sent someone to look for Bai Moyu and his sister. The three of them had a confidential discussion. When the Bai siblings came out, they could not hide the joy on their faces.

The next day, Du Guyi left along with everyone else from Heavenly Gates Sect.

As soon as they left, Yun Chujiu immediately went to look for Master Xuanyuan! What for? Naturally, she was there to claim the ten thousand low-grade Spirit Stones. This was no joke. She had been having dreams and could not sleep well the night before. If she did not collect her wins, would she not have wasted a bag of chili powder for nothing?

"Master Xuanyuan! I'm here to collect the Spirit Stones!" Yun Chujiu shouted happily as soon as she entered the meeting room.

Master Xuanyuan wanted to tease Yun Chujiu, so he said, "Ten thousand Spirit Stones isn't light. You can't use the storage bag, so I'll keep it for you. Take one hundred for now!"

Yun Chujiu bared her white teeth. "Master, you don't have to worry about that! I've thought about it. I brought my fourth brother. We can put it in his storage bag! However, if our sect is short of money, I can lend you the Spirit Stones. You can pay me a thousand Spirit Stones a month as interest. I'm not greedy!"

She made everyone speechless, yet again.

They just wanted to say that Yun Chujiu was such a money-grubber that they just had to respect her!
