

The Yun Family's Ninth Child is an Imp! Chapter 2353

Xiao Hei was very light, and the floor was very thick, so Xiao Hei landed on the ground safely.

After Yun Chujiu put Xiao Hei into the spirit beast bag, she put the sand and talisman paper into her storage ring. After making sure that there was nothing wrong, the three of them carefully walked forward.

“Fortunately, there are many weeds under the stone wall. Otherwise, the sand would definitely expose us. It was so close, so close,”yun chujiu said softly as she walked.

Xue Wuji and Jin Zhi were also very happy. If it weren't for the sudden urge of little jiu to climb up the stone wall, they would have been caught by the blood demon at this time.

The three of them walked for an hour and didn't find anything unusual. Yun chujiu stopped.

“No, logically speaking, Zhu Jingtie can't have run that far. We must have missed something. We'll continue to look for him later.”

After a while, jin zhi said excitedly, “Here! There's something wrong here!”

Yun chujiu and Xue Wuji looked in the direction that Jin Zhi was pointing at. It was an ancient tree, and it didn't seem like there was anything wrong with it.

Xue Wuji looked at Jin Zhi in confusion. "Jin Zhi, What's Wrong?"

"It... It doesn't have a shadow!" Jin Zhi pointed at the ground and said.

Yun Chujiu and Xue Wuji took a look. Sure enough, there was no shadow on this huge ancient tree. This was obviously abnormal. This meant that this ancient tree didn't really exist. It was just an illusion to cover the entrance.

Yun Chujiu's heart skipped a beat. She used her spiritual sense and said, "Glass Ball, all you do is eat all day. Now is the time for you to play your role. Hurry up and tell me, where is the entrance?"

The black bead trembled lazily. Then, Yun Chujiu felt her spiritual sense suddenly become clear. She waved at Xue Wuji and Jin Zhi, indicating for them to follow behind her.

Xue Wuji and Jin Zhi followed Yun chujiu in all directions, as if they were walking in circles. However, they were surprised to find that the scene in front of them had changed!

There were no big trees at all. Instead, there was a deep tunnel. One could vaguely smell the nauseating smell of blood.

Yun chujiu took out the luminous bead to illuminate the tunnel. She saw that both sides of the tunnel were scattered with dried demon beast corpses. She thought to herself, no wonder she did not encounter any high-level demon beasts on the way. It turned out that they were all sucked dry by the Xue Mo..

She didn't know whether those students were dead or not, but from the Xue Mo's words, it seemed like it was keeping them to slowly drink blood. It probably hadn't killed them yet.

The three of them were afraid that the Xue Mo would return, so they sped up and finally reached the end of the tunnel.

At the end of the tunnel was a wide stone hall. There were several stone rooms around the stone hall. Inside were the first-year students of Xingtian Academy.

Strangely, the stone room did not have a door, but those students were obediently staying inside. When they saw Yun Chujiu and the other two, they did not have any reaction, as if they were dumbfounded.

Yun chujiu frowned. Had they been fed with poison or had they fallen into an illusion? Why were they all dumbfounded? If they were to save a bunch of idiots, it would be better not to save them!

Yun chujiu walked to the entrance of a stone room. The students inside were all from the Star class. Yun chujiu immediately saw the dazed Mo fangbing.

She sat on the ground, her eyes empty. Yun chujiu waved her hand in front of her, but there was no reaction at all.

Yun Chujiu threw half a basin of water at her, but there was still no reaction.

Yun chujiu and the other two looked at each other. This was bad!
