

The Yun Family's Ninth Child is an Imp! Chapter 2357

Yun Chujiu was afraid that Xue Mo would discover their ambush, so she deliberately walked a mile forward in order to attract Xue Mo's attention.

When Xue Mo was about to reach Yun Chujiu's hiding place, he suddenly stopped and laughed strangely. "Who's sneaking around there? Come Out Now! It must be the girl with the Heavenly Thunder Spirit Root!"

Yun Chujiu rolled her eyes and jumped out with her gas mask. "Hey! Why are you looking for me, you blood-sucking old Bat?"

Zhu jingtie pointed at Yun Chujiu and said obsequiously to Xue Mo, "Master Xue Mo, she is Yun Chujiu with the Heavenly Thunder Spirit Root. Please catch her!"

"Keke, it's so easy to find her! I've been looking for you for a whole night, and you came to me of your own accord. What a good fortune!"

Xue Mo spat out poisonous mist at Yun Chujiu as he spoke. He thought that Yun Chujiu would lose her ability to move and eventually become his blood slave.

Sure enough, Yun chujiu exclaimed and said anxiously, "Oh my God, why can't my arms, legs, and Soles listen to me? ! You, you old bat, what the hell are you spitting out?"

Zhu Jingtie said arrogantly at the side, “Yun Chujiu, aren’t you the darling of Tian Dao? Pui! You revealed your true form when you met Xue Mo, right? ! Xue Mo spat out poisonous fog, just wait for your death!”

Yun chujiu cursed in her heart, reveal my true form? ! She wasn’t some Fox turned into a demon, reveal my true form. This Zhu Jingtie had walked further and further on the road of courting death. She didn’t even need to make a move. The students of Xingtian Academy would teach him a lesson.

Although Yun Chujiu thought so in her heart, she said, “What? ! Is it the poisonous fog? It’s over, it’s over. Then, won’t I Be Dead? !”

Hearing Yun Chujiu’s words, Zhu Jingtie became even more arrogant. “Sir Blood Demon, this Yun chujiu is definitely in your bag! I think Xue Wuji and Jin Zhi must be nearby. I’ll go find them for you.”

Zhu Jingtie thought that Xue Mo would be very happy to hear that. He didn’t expect Xue Mo to Snort coldly. “Take this back to the cave first. I’ll come out to find the remaining two at night.”

Hearing Xue Mo’s words, Yun Chujiu was even more certain that Xue Mo must be afraid of the sunlight. This was even easier. If she could delay until the sun rose, she could definitely kill it.

Thinking of this, Yun Chujiu said to Xue Mo, “Why do you have to drink my blood? I have a lot of spirit stones, I will give them all to you. Can you not drink my blood?”

Xue Mo curled his lips. "You are indeed a stupid human! Cut the crap and follow me!"

As Xue Mo said this, its right arm suddenly expanded and grabbed towards Yun Chujiu's neck.

It thought that it would definitely hit Yun Chujiu in one hit. After all, Yun Chujiu had already been poisoned by its poisonous mist. Unexpectedly, its right hand was about to grab Yun Chujiu's neck, yun Chujiu's body avoided its right hand at a strange angle.

"Damn it, old bat, are you serious? ! You want to drink my blood? Dream On!" Yun Chujiu said as she threw several bolts of lightning towards Xue Mo..

Xue Mo subconsciously took a few steps back. Lightning was an extremely masculine and Yang item. Its subconscious mind was very afraid of lightning.

Yun Chujiu's eyes lit up. "Haha! So You're afraid of My Little Jiu's thunderbolt. Then die!"

Yun chujiu shot out several more purple bolts of lightning towards Xue Mo. Xue Mo saw that although Yun Chujiu's lightning was purple, its power was not very strong, he sneered and said, "Damn girl! Do you think I'm afraid of your little lightning bolts? I was just teasing you just now. Prepare to die!"
