

The Yun Family's Ninth Child is an Imp! Chapter 2450

Great-grandfather ye's face was dark as water as he said to ye Xinwan, "You're an elder, What's wrong with you? ! Why aren't you going back? !"

Ye Xinwan glared at Yun Chujiu coldly and left with the fan family's guards.

The fainted fan family's guards were also woken up and helped to leave.

Great-grandfather ye waved his hand, and the ye family's guards retreated outside Shaohua Garden. Great-grandfather ye and Yun Chujiu went to Shaohua Garden's study room.

"Tell me, what exactly happened?" Old Master ye stared at Yun Chujiu and asked.

Yun chujiu blinked her eyes. "I don't know either! I guess someone helped me in the dark! Sometimes when I'm in danger, someone will help me in the dark. Maybe my mother showed herself!"

It would be a ghost if old master ye believed her words!

However, he could not press her too hard. He could only sigh. "Little Jiu, no matter who is behind you, the fan family is not someone you can afford to offend.

I understand Xinwan's character. This matter will definitely not be let off easily. You should try to stay in the Xingtian Academy in the future. If you want to return to the Ye family, tell me in advance. I'll send someone to pick you up. Don't go out alone, understand?"

Yun chujiu thought about the meaning behind old master ye's words. Although on one hand, she was indeed worried about her safety, she also had the intention of keeping a distance from her.

This was because she had never heard of anyone who needed to communicate in advance if they wanted to return home. However, it was also understandable. Fan Suxue had been beaten by her until she could not get out of bed for half a year. The fan family would definitely be dissatisfied with the Ye family.

“After aunt and the others leave, I will return to Xingtian Academy. I have missed a lot of classes at this stage. In the future, I will be at ease and study hard in the Academy. I will try my best not to go out.” Yun Chujiu said with a faint smile.

They were all old foxes, so they were very clear about the subtext in both parties' words. Old Master Ye nodded and said, “I hope doctor Deng can really develop an antidote for salt-free powder. Otherwise, I'm afraid I Won't be able to protect you.”

Yun Chujiu's heart moved, and she frowned slightly. “I did see Doctor Deng Yesterday, and I heard that he has some clues. However, it seems that the antidote for salt-free powder requires several mid-grade heaven grade spirit herbs. I'm afraid the price is not cheap.”

Old Master Ye was delighted. “Is it true? As long as we can develop the antidote, even spending more spirit stones is worth it!”

Yun chujiu nodded. “Doctor Deng said so yesterday. I reckon that there will be some clues in a few days.”

Old Master Ye's heart brightened up a little. As long as Fan Suxue's face was cured, the rest of the matters would be much easier to handle.

Great-grandfather ye gave a few more instructions before leaving Shaohua Garden.

Yun chujiu turned around and entered her bedroom. Di beiming was meditating and cultivating when he saw her enter. Only then did he open his eyes.

“What did great-grandfather ye say to you?”

Yun chujju recounted what had happened, then she said self-deprecatingly, “The Yun family and I are not related by blood, but they are sincere to me. The Mo family and the Ye family are my family, but their actions are extremely chilling. If not for my meticulous planning, I’m afraid they would have treated me as an abandoned child long ago.”

“You have me, why do you care about them? ! It’s better not to have such a family!” Di beiming saw that Yun chujju was in a low mood and said while stroking her hair.

Yun chujju grunted. In her previous life, she was an abandoned child, so she yearned for family ties. Otherwise, according to her character, she would have dealt with those people from the Mo family long ago.

Moreover, even if she was extremely intelligent, her spiritual power was still too weak. If she didn’t have the protection of her family, she wouldn’t be able to stand on her own feet now.
