

The Yun Family's Ninth Child is an Imp! Chapter 2615

Yun Chujiu's eyes flashed with a trace of sternness. Since these snow jade silkworms were extremely precious, once they were attacked by them, they definitely could not resist. Otherwise, they would injure or kill these snow jade silkworms, they would be punished by the sect rules.

Moreover, these snow jade silkworms would not attack the odd-job workers for no reason. There must be something wrong. Mu Wu was obviously using the four of them as scapegoats.

Yun chujiu thought of this and said indifferently, "Senior brother, the snow jade silkworms are so precious. We don't have any experience and can't bear the heavy responsibility. You'd better find someone else! We'll take our leave now."

Yun chujiu gave Xue Wuji and the other two a look, and the four of them planned to leave the garden.

Mu Wu snorted coldly. "HMPH, you little handyman, how Dare You Disobey my orders? Handymen must obey the inner disciples unconditionally, don't you know that?"

Yun Chujiu said in an extremely serious manner, "I don't know."

Mu Wu choked, then, he became angry from embarrassment. "Don't be so Shameless! You have to do it today, even if you don't want to! If you can't take these snow jade silkworms back to the silkworm room, don't even think about leaving! "Without my identity jade token, you won't be able to leave!"

Yun Chujiu's eyes flashed with a trace of sternness. "Are you going to let us out or not?"

Mu Wu snorted coldly. "Are you still planning to fight? Don't say that you can't beat me, even if you really hurt me, don't even think about it."

“Is that so? Then we really won’t think about it today! However, we can’t be bothered to fight with you. Didn’t you say that the Snow Jade Silkworm is very precious? How about I kill a few dozen of them? Although we can’t escape punishment, your responsible disciple isn’t much better, right?”

As Yun Chujiu spoke, she took out a large kitchen knife from her storage ring and walked to a golden silk mulberry tree. She picked up the large kitchen knife and was about to start fighting.

“You, you, you dare? !” Mu Wu couldn’t believe his eyes and ears. How dare this servant threaten him?

Mu Wu thought highly of himself and didn’t even bother to watch the entrance test. A certain Jiu’s legend was unknown to him.

Yun chujiu raised the large kitchen knife, she cut off a branch. “Do you think I dare? “The servants of Tianji Peak are afraid that no one will take responsibility for this unlucky job, so you’re threatening the four of us?” “Do you think that the servants are easy to bully?” “Hurry up and open the door. Otherwise, if I attack again, it won’t be a branch!”

“You... you...” Mu Wu’s face was twisted with anger. He thought that the four of them were new servants and would be easy to deal with, so he used the four of them as the scapegoats. However, he didn’t expect that they would meet a tough opponent.

Seeing that he did not move, Yun Chujiu picked up a snow jade silkworm and said, “If you don’t want to see this little thing break into two, open the door quickly.”

Mu Wu was so angry that he was trembling. “Okay, okay. Don’t regret it!”

Mu Wu knew that Yun chujiu would really mess around, so he had no choice but to open the door.

Yun chujiu and the other three walked out of the garden and threw the snow jade silkworm at Mu Wu. "I'm warning you. Although we are servants, we are not people that you can deal with as you wish. Don't provoke us in the future, or else you will die!"

After Yun Chujiu finished speaking, she swaggered away with Xue Wuji and the other two.

Mu Wu's face was ferocious. Just as he was about to chase after them, the snow silkworm that was thrown at him suddenly spat out a stream of fluid into his eyes.

"Ah! My Eyes! My Eyes!"

Yun chujiu heard the screams behind her and could not help but curl the corners of her lips. Was he trying to frame her? Seek death!
