

The Yun Family's Ninth Child is an Imp! Chapter 2629

Yun chujiu giggled. "Old Man Yao, don't worry! The snow jade silkworms can't be eaten, why would i kill them if I have nothing to do? ! It's getting late, I Won't Disturb Your Rest, I'm leaving!"

Old Man Yao waved his hand, and Yun chujiu hopped away.

Old Man Yao looked at Yun Chujiu's back and shook his head with a smile. This little girl really knew how to cause trouble, he hoped that she wouldn't cause any trouble.

The next morning, Yun Chujiu went to the kitchen and told the four servants about her idea. Hearing the amount of spiritual stones that Yun Chujiu promised, the four servants agreed immediately.

Since the four of them could be divided into two classes, it wasn't a big deal to be a little tired.

After Yun Chujiu arranged the work in the kitchen, she took Jin Zhi and ye Bingyu to Tianji Peak.

"Hey, Look! The Chopping Board has become a spirit!"

"What Chopping Board has become a spirit? It's Yun Chujiu's flying spiritual device. I've seen it once before."

"Eh? She's not working in the big kitchen. What's she doing there?"

"I heard that she accepted the task of raising snow jade silkworms on Tianji Peak. I guess she's going to Tianji Peak."

"What?" "Is there something wrong with her brain?" "She actually accepted the task of raising Snow Jade Silkworms?" "I heard that all the servants on Tianji Peak avoid her. Even Huo Zhi, who took over

the Mulberry Garden, didn't want to. However, the higher-ups arranged it, so he had no choice but to accept it."

"Yun chujiu probably has money to burn, right? Let's just wait and see!"

..

Yun Chujiu and the other two landed on the square of Tianji Peak and walked to Mulberry Garden.

Along the way, they were criticized by many people. Half of them thought that she was stupid, so they accepted the mission to raise Snow Jade Silkworms, and the other half thought that Yun Chujiu accepted the mission for Fan Mingchuan.

Although fan Mingchuan had said that they were not engaged, everyone thought that there was no smoke without fire. Yun chujiu and fan Mingchuan must have been childhood sweethearts.

Yun chujiu quickly felt the hostility of some female disciples. Their gazes were like knives as they stabbed at her. Yun chujiu found it funny in her heart. She did not expect fan mingchuan to have so many fangirls. She wondered if these people were blind!

As they pointed and pointed along the way, the three of them arrived at the Mulberry Garden.

The door of the Mulberry Garden was opened from the inside. A man dressed in the uniform of an inner sect disciple shouted impatiently, "Didn't the three of you accept the mission yesterday? Why are you only here today? ! Hurry up and come in and work!"

After Yun Chujiu and the other two entered the Mulberry Garden, the disciple directly brought them into a room, pointing inside, he said, "Every morning, you put these snow jade silkworms on the golden silk mulberry trees. Each tree can only put twenty of them, and you have to keep a certain distance from each other.

Before sunset at night, put the snow jade silkworms back into this silkworm room and put some fresh golden silk mulberry leaves. "I still have something to do, hurry up!"

After the man finished speaking, he left in a hurry without waiting for the three of them to ask about some important matters.

"Little Jiu, why do I feel that he wants us to take the blame? There won't be any problems with the snow jade silkworms, right?" Jin Zhi said with a frown.

Yun chujiu blinked her eyes and didn't say anything. Instead, she picked up a snow jade silkworm..

After the disciple in charge of the Mulberry Garden left the silkworm room, he heaved a sigh of relief. He had finally found three scapegoats!

That Bastard Mu Wu clearly did not have a serious injury to his eyes, but he pretended to be very serious and threw this hot potato to him. It was really detestable!
