

The Yun Family's Ninth Child is an Imp! Chapter 2680

Mountain master he was so angry that his face turned red and his neck was thick. "Yun Chujiu, you are cheating!"

Yun chujiu spread her hands. "How is this cheating? I asked for your opinion. You said it yourself and let me choose randomly. Of course, your mouth is big, but my mouth is small. If you don't admit it, I have no objections."

Mountain master he's face turned even redder. He could only clench his teeth and say, "Humph! If you are willing to gamble, you must admit your loss. I will help you plead for mercy in a while."

Master Baili quickly tried to mediate the situation. "Yun Chujiu, after you won the bet, did you let the Qi Ling release you?"

"That's right! But I didn't expect that Qi Ling to be so despicable. She actually sealed my spiritual power before she bounced me out. If it wasn't for your help, I would definitely have fallen miserably." Yun Chujiu said angrily.

Mountain master he cursed in his heart. Qi Ling had done a beautiful job! If he was Qi Ling, he would have done the same. This little girl was too despicable!

The crowd asked for more details. Hei Xinjiu's fabricated words were all true, so they weren't afraid of them deliberating. They didn't find any flaws.

Then, the question now was, how should they deal with Yun Chujiu?

Trespassing into the forbidden area would definitely be punished. The question was, how should they determine the severity of the punishment?

Some Peak Masters said that the nature was bad and they had to be expelled from the sect. Some Peak Masters said that they did not cause any substantial losses. Moreover, because she had discovered the existence of the asura prison, she could be given a lighter punishment. There were also some peak masters who were neutral and kept silent.

A few names suddenly appeared on Yun Chujiu's Xiao Hei's account book. When I become your ancestor, I will teach all of you a lesson!

Mountain master he lost the bet, even though he was a hundred times unwilling, he could only help to speak up for her. "Sect master, although Yun Chujiu made a big mistake, she did not have any intention of harming our sect. She was just mischievous! Don't punish her too severely."

Just as Master Baili was deep in thought., Yun Chujiu wiped her tears with her sleeve. "I was wrong! I really know that I was wrong! Although I didn't do it on purpose, I was wrong. If I'm Not Punished, others will learn from me, and our primordial chaos sect will be in chaos!

"I invite myself to reflect on the 15th for three months. If I can make it through, I'll make it through. I Won't blame anyone if I die in there."

When everyone heard Yun Chujiu's words, they were truly shocked. Three months of meditation on the 15th was already considered a very heavy punishment for Yun Chujiu. This little girl was really impressive.

Although Master Baili felt a little sorry for her, Yun Chujiu was right. If she was not severely punished, and other disciples ran to the forbidden area to cause trouble, wouldn't the primordial chaos sect fall into chaos?

Therefore, master baili nodded and said, "Alright, then I'll send you to No. 15 to meditate for three months."

Master Zhuo of Tianji Peak hinted at Yun Chujiu with his eyes. Yun chujiu understood that he was telling her that he would think of a way to get her out as soon as possible.

Yun chujiu looked back with gratitude and felt proud. Did you see that? People should be good at something. If she died, the snow jade silkworm of Tianji Peak would have no one to help elder Yue!

The law-enforcing disciples escorted Yun chujiu to the teleportation array of the meditation cave. Seeing Yun chujiu being escorted here again, the small leader's face froze. She didn't seem to have been out for long? Why did she commit a crime again?

The leader took the document from the law enforcement disciples and looked at it. Breaking into a forbidden area? Meditation Cave on the 15th? Three months? This little girl was really seeking death with all kinds of tricks!
