

The Yun Family's Ninth Child is an Imp! Chapter 2719

Di beiming frowned when he heard the name 'Big Brother Mermaid'. When he heard the word 'Lan', a thought flashed across his mind.

"Little Jiu, I think that mermaid was talking about 'Lan'. Lan Luo Chen who was previously in the Tian Yuan continent has disappeared. If you meet him in the future, don't bother with him. One look and you can tell that he is not a good person!"

Yun chujia looked at di beiming speechlessly. She thought to herself, are you sure you are helping her with her analysis and not suppressing her imaginary enemy?

Di beiming coughed a little guiltily and said, "I am not targeting him. Don't you think it said 'Lan'? Other than the surname, what else could it be? !"

Yun chujia did not expose di Beiming's narrow-mindedness and said perfunctorily, "Okay, I'll remember it. If I really meet him, I'll try my best to avoid him."

Di beiming reminded her a few more times. Yun chujia really wanted to ask, what happened to being arrogant and arrogant? ! How did he become a chatterbox now? !

Di beiming changed the topic and said, "Little Jiu, I'm going out to do something tomorrow. I'll come back to see you in a few days. If anyone bullies you, I'll come back and teach them a lesson."

"You mean you're not going back first? You're just taking care of something nearby?"

Di beiming nodded. "I'm going to pick something up. I'll be back in a month or half a month at most."

Yun chujia was very tactful. She did not ask further. She only told di beiming to be careful.

That night, di beiming left the murderous Yuan sect.

Since they would meet again soon, Yun Chujiu was not too sad.

This guy slept until the sun was high in the sky. He stretched his body and was about to get up when he heard the sound of the door being slammed. "Yun Chujiu! Yun Chujiu! Hurry up and get to work, or else I'll Sue You to the law enforcement office!"

Yun chujiu sneered in her heart when she heard He Sheng's voice. He Sheng was really stupid. He was probably being used as a gun by Fatty Wang.

"What are you shouting for? ! Sue whoever you want! Get lost!"Yun chujiu shouted impatiently.

He Sheng, who was standing at the entrance of the courtyard, was about to explode with anger. He gnashed his teeth and said, "Good! Good! Yun Chujiu, you forced me to do this. I officially issue a challenge to you. Let's meet at the competition stage in the afternoon!"

"Good. Then you should hurry and enjoy the remaining few hours, because you are going to die soon!"Yun Chujiu said indifferently. It was good to go to the competition stage. It just so happened that she wanted to see the killing Yuan sect's competition stage! She reckoned that she would go up from time to time in the future. It was necessary to familiarize herself with it first.

He Sheng was so angry that he did not know what to say. He gritted his teeth and left.

After Yun chujiu washed up, she sauntered to the big kitchen and pointed at a handyman. "Help me get some food. I'm Starving!"

The handyman did not move. Instead, he stole a glance at Fatty Wang. Fatty Wang snorted coldly. “Yun Chujiu, it’s already past breakfast time. Moreover, what right do you have to let other handymen serve you? Who Do you think you are? !”

The corners of Yun Chujiu’s mouth curled up. “If I kill you, will my words be more forceful in this big kitchen?”

Fatty Wang did not understand Yun chujiu’s meaning for a moment. He asked with some confusion, “What do you mean?”

Yun chujiu said coldly, “What I mean is, if I kill you, will no one in the big kitchen dare to disobey me?”?

“Isn’t He Sheng going to the competition stage with me in the afternoon? “It’s good that you’re going too. I’ll kill you after I kill him, so that there won’t be people jumping around in front of me all day. I’ll be annoyed!”
