

## The Yun Family's Ninth Child is an Imp! Chapter 2732

Master Xiahou and the others were so angry that their noses almost went crooked!

Sword intent isn't like cabbages. Do you think you can comprehend it so easily?

Besides, you only comprehended one sword intent in two hours. What else do you want to do? This is too infuriating!

"Yun Chujiu, what sword intent did you comprehend? And how did you comprehend it?" Master Xiahou asked quickly.

"Hehe, the sword intent that I comprehended was absolutely unique — Chaos! It was just a random dance, and then I had an idea. Order in chaos, victory in chaos. In any case, it meant chaos." Yun Chujiu said with a smile.

Everyone: "..."

Well, only this little girl could comprehend such sword intent! Because this guy was a troublemaker!

Yun chujiu suddenly remembered her purpose of being a demon, her face immediately revealed an expression of guilt and self-blame. "Sect master, fellow peak masters, although in the end, I didn't expect that there would be unexpected gains. But I still deeply realized my mistake. I implore you to send me into a self-reflection cave to reflect and let me calm down."

Everyone was stunned. They didn't expect this little girl to suddenly become sensible. Could it be because she comprehended sword intent?

"Alright, considering that your spiritual power is low, I will punish you to the lowest level No. 1 self-reflection cave. The deadline is half a month!" Master Xiahou pondered for a moment and said.

Yun Chujiu had the intention to go to a higher level self-reflection cave, but there must be something wrong. If she persisted, she would probably arouse the suspicion of everyone.

This guy suddenly remembered that di beiming said that he would be back in a few days, so he quickly said, "Master, can you spare a few days? I am afraid that my small body can't endure such a long time!"

"Then let's make it five days! You're the one who needs to be punished, and you're the one who thinks that it's too long. No wonder you've comprehended the chaotic sword intent!" Master Xiahou laughed!

Yun chujiu laughed dryly, then, she bowed to mountain master Zhao with sincerity, "Mountain Master Zhao, I'm really sorry!" "I was just being naughty just now. I didn't think that I would really steal the tablet. If I really wanted to steal it, I wouldn't have shouted, right?" "No matter what, I was wrong. I'm Sorry!"

Mountain Master Zhao was extremely happy. How could he blame Yun Chujiu. Furthermore, Yun Chujiu's 'sincere' apology caused him to put his unhappiness to the back of his mind. He felt that it wasn't bad for this little girl to know her mistakes and change them.

Leng Kui watched from the side. He felt that everyone present had been tricked by Yun Chujiu. With her personality, how could she voluntarily go to the self-reflection cave? She must be up to something bad!

However, Leng Kui couldn't think of anything bad that could be done by going to the self-reflection cave, so he didn't say anything.

Soon, law enforcement disciples came to escort Yun Chujiu to the self-reflection cave.

Since the self-reflection cave was at the back mountain of Fire Peak, it didn't take long for this fellow to be escorted to the self-reflection cave.

The disciples on duty were stunned. Didn't this little girl come here a few hours ago to inquire about the self-reflection cave? Why did she commit a crime in such a short time?

Yun chujia laughed dryly. "Coincidence, coincidence, it's purely a coincidence!"

The disciples on duty took the document speechlessly and looked at it. Then, they said to Yun chujia, "Junior Sister Yun, the spiritual power attack in the first self-reflection cave is still relatively weak. You just need to be careful. There won't be any problems."
