

## The Yun Family's Ninth Child is an Imp! Chapter 274

Xue Wuji?! Yun Chujiu was shocked. She unconsciously got in front of Di Beiming and blocked him. The gigolo's body was stiff all over. Would it not be easy for the red-clothed pervert to kill the gigolo?!

Di Beiming's eyes warmed as he said indifferently, "Black Thing, get out of the way. Xue Wuji is a well-known figure in the Tianyuan continent. He's not going to take advantage of the situation!"

"Haha! Di Beiming, you finally said something human! Of course, I won't kick you when you're down. Besides, I wouldn't do that in front of Little Sister Jiu!" Xue Wuji appeared and said. He had an evil smile on his face, but his hands were tightly clenched under his sleeves.

'Very well, Yun Chujiu!

'You actually dared to trick me!

'Di Beiming's unexpressive face was the bright moon in the sky and the weak little candle?

'Di Beiming was the white snow at the peak of the mountain and the dirt on the ground?'

'So everything about him being the enemy and Di Beiming coveting her beauty were all made up. They were all used to deceive me!

'Very good, Yun Chujiu, just you wait!'

In order to not lose face in front of Di Beiming, Xue Wuji simply swallowed his words. He clearly wanted to strangle Yun Chujiu to death, but he talked and laughed as if nothing had happened.

Shadow agent Huahua also appeared. He cursed in his heart, 'Our young master has been played by this little girl. I've told you, how can the person that Di Beiming has his eyes on be so simple?! Our young master's narcissism should be changed!'

Although Xue Wuji said it to Di Beiming, his eyes were fixed on Yun Chujiu. If eyes could kill, Yun Chujiu would have died hundreds of times.

If an ordinary person was caught red-handed, they would definitely feel awkward or guilty. However, Yun Chujiu was obviously not an ordinary person! This fellow smiled brightly. "Brother Wuji, you're here? Did you bring me Spirit Stones again?"

Everyone was dumbfounded. Yun Chujiu's shamelessness was unrivalled!

Xue Wuji gritted his teeth. "Little Sister Jiu, didn't you say that you wouldn't even be interested if I gave you mountains of gold and silver?"

Yun chujiu said confidently, "That's right. How could I like such common things like gold and silver? I like shiny Spirit Stones!"

Everyone was speechless.

Xue Wuji was stunned for a moment before he laughed out loud. "Little Sister Jiu is really witty. No wonder even Di Beiming, who is famous for being queer, fell for you!"

Di Beiming snorted coldly, "Don't spout nonsense! I'm just self-disciplined, unlike some people who go fooling around. I heard that you already have dozens of illegitimate children!"

Xue Wuji was so angry that he gritted his teeth. "Di beiming! You're spouting nonsense! You actually slandered me in front of Little Sister Jiu! What are your intentions, you gay man?!"

“I’m just speaking the truth! Who doesn’t know that you’re reckless? If there’s a woman that you like, then go back to the palace with her!” Although Di Beiming’s limbs were stiff, his aura actually faintly suppressed Xue Wuji.

Xue Wuji was so angry that he laughed. His eyes turned as red as blood. “Di Beiming, although I don’t like to take advantage of others’ misfortune, it’s fun to do it once in a while. I’ll kill you today!”

An Feng and A Yin quickly protected Di Beiming and Yun Chujiu. They were on alert.

Di Beiming laughed out loud without any signs of nervousness. “Xue Wuji, although I’m badly injured, I’m strong enough to topple you before I die. You can try!”
