

The Yun Family's Ninth Child is an Imp! Chapter 275

Xue Wuji looked at Di Beiming suspiciously. Could there be a trap? The day before, Spirit Radiance Sect was bombarded with thunder. What exactly happened? Why did Di Beiming get such a serious injury? Should he make a move or not?

“Ah, it’s already noon. Are you guys hungry? Let’s have lunch together! I’m starving!” Yun Chujiu did not seem to notice the imminent crisis. She sat down casually on the stone bench and looked at the delicious food on the table with drooling eyes.

Xue Wuji had a few thoughts in his mind and then smiled wickedly. “I’m just joking. Little Sister Jiu is right. The world is big, and eating is the most important. Eating is more important.”

Yun Chujiu giggled. “Brother Wuji, come here. Don’t be shy, eat more!”

Di Beiming coughed dryly and glared at Yun Chujiu unhappily.

Yun Chujiu cursed in her heart, ‘Gigolo, I’m just doing this all for you. No matter how powerful you are, you can’t move your hands and feet now. If you fight, you’ll definitely be at a disadvantage.’

“Black Thing, I’m hungry!” Di Beiming looked at Yun Chujiu and Xue Wuji chatting happily, and he could not help but get angry.

Yun Chujiu quickly picked up a piece of meat and fed Di Beiming. Then, she continued to chat with Xue Wuji.

“Black Thing, a piece of meat isn’t enough to fill the mouth! Continue!” Di Beiming said with a dark face.

Yun Chujiu could only continue to feed Di Beiming. Naturally, she had no time to talk to Xue Wuji.

Xue Wuji's mind was not on the food. He sneered, "Di Beiming, Little Sister Jiu is as beautiful as a flower now, but you're addressing her as black thing. How rude!"

"That's right! That's right! How am I very dark now? You should call me little beauty, little fairy, little baby, little sweetheart..." Yun Chujiu echoed from the side.

"Cough! Cough! Black Thing, shut up!" Di Beiming almost spat out the food that he had just eaten!

Yun Chujiu curled her lips. What a boring old man!

Xue Wuji was so happy that there was a rift between the two of them, he started to fan the flames. "Di Beiming, do you think Little Sister Jiu is your subordinate? You even ordered her to shut up! This is too much! Little Sister Jiu, you don't have to be afraid of him! In the future, you have a big brother to support you! If he bullies you, I will help you!"

Di Beiming's eyes were about to spit fire as he glared fiercely at Xue Wuji.

Xue Wuji was fearless as he continued, "Little Sister Jiu, you are still young and don't understand some things! If you want to marry someone, you have to marry someone who treats you well! This guy always order you around and enslaves you. How can he be your lover?"

"If there's no comparison, you can't discriminate between good and bad. You can't sabotage yourself. You have to choose a few more people to compare with. For example, I, your brother, not only look better than this expressionless man, but I'm also generous to you. What do you think? Think about it!"

After Xue Wuji finished speaking, he looked at Yun Chujiu with anticipation! Di Beiming's eyes were also fixed on Yun Chujiu. He had the intention of strangling Yun Chujiu if she dared to agree.

Yun Chujiu blinked her eyes and said, "Brother Wuji, I'm still young. What nonsense are you talking about? I don't understand."

Xue Wuji almost spat out a mouthful of blood!

He had been talking for such a long time. Was he playing the lute to a cow?! He was so angry! If it were any other woman, she would have thrown herself into his arms long ago! What an unromantic girl!

Di Beiming was very satisfied. Although the black thing was a little greedy and lecherous, it still had a clear stance on the important things! Not bad!

"However, Brother Wuji, what you said makes sense! Anyway, I'm still young. I can take my time picking out a husband! It's hard to find a three-legged toad, but there are plenty of two-legged people!" Yun Chujiu said casually.
