

The Yun Family's Ninth Child is an Imp! Chapter 2753

Di beiming was still dressed in white. He saw that the house had been meticulously tidied up, and there was food on the table. Most importantly, his wife was looking at him with a smile. He suddenly felt that everything was worth it!

"Prince Charming, did everything go smoothly?" Yun chujia helped di beiming wash his hands and face.

Seeing Yun Chujia's attitude, di beiming unconsciously smiled, "En. How have you been these few days? Did you get into trouble?"

Yun chujia thought to herself, great! It was simply wonderful.

This guy was afraid that di beiming would say that she was a demon. Last time, because of helping Xiao Heiniaoyao to snatch the fire of Nirvana, Di beiming almost died. He lost his temper.

This time, in order to look for the little flame, she almost became a monkey. How would she dare to say that? She just laughed and said a few perfunctory words.

Di beiming did not care too much. He felt that he had only left for a few days, so nothing major should happen. How would he know that the person in front of him was a troublemaker? In just a few days, he had almost turned the sky and earth upside down.

The two of them sat down and ate as they chatted. Yun chujia asked, "Prince Charming, did Wu Ji's brain and the Little Madman improve quickly?"

"They're not too useless. The main thing is that if they don't become stronger, they'll lose their lives. Naturally, they'll become stronger." Di beiming said indifferently.

Yun chujiu knew that the words “Not too useless” from this guy’s mouth meant that he was not bad. With the help of the two of them, the pretty boy would also be able to relax a little.

After dinner, Yun Chujiu insisted that di beiming accompany her to the roof to look at the stars. A certain Jiu who hated the heavens felt that this was an insult to her intelligence, but she could not resist the coquetry of a certain jiu, she could only carry Yun chujiu and jump onto the roof.

“Prince Charming, look at how beautiful the starry sky is!”

“I can’t Tell.”

“Prince Charming, can you see over there? That’s the cowherd and Vega Star, the one who met on Magpie Bridge.”

“HMPH! That cowherd is such a good-for-nothing. If it’s me, I’ll kill anyone who tries to stop us from being together!”

“Prince Charming, look, it’s a shooting star! Hurry up and make a Wish!”

“Childish!”

..

F * ck, can we still have a proper relationship? !

A certain Jiu glared at a certain jiu with all her might, an arrogant and unromantic person!

A certain jiu saw that certain Jiu's eyes were sparkling, and she suddenly felt blessed and said, "Little Jiu, your eyes are even more beautiful than the stars in the sky."

A certain Jiu was instantly healed. Her little face flushed red as she leaned on di Beiming's body, feeling that everything was so beautiful.

A certain jiu lowered her head, and the two of them kissed.

A certain Jiu suddenly understood the beauty of looking at the stars. HMM, she could still come out often in the future to take a look. This tone, this true self liked.

The two of them, who were bubbling in pink bubbles, lingered for a long time. It was not until late at night that they returned to the house.

After the two of them washed up briefly, they lay on the bed.

Di beiming hugged his fragrant and soft little wife. It was as if a ball of fire was burning in his heart. However, he could only burn it dry and could not put out the fire.

Hence, Guai Cao suffered another round of mixed scoldings from both men and women. He took it as a compliment. He thought to himself, it was a good thing that he was mentally strong. Otherwise, he would definitely be scolded and depressed.

After a good night's sleep, the next day, the two of them had just eaten breakfast when di beiming frowned. "Someone is here."

Di beiming looked very unhappy. It was really not a good time. It was not easy for him to stay with his little wife for a few days. Why would he come if he had nothing to do? !
