

The Yun Family's Ninth Child is an Imp! Chapter 2757

When fatty Wang heard Yun Chujiu's words, it was as if he had been injected with stimulants, he shouted loudly, "Don't just stand there! Didn't you hear junior sister Yun say that she wants to find something to eat? Hurry up and cook your specialty dishes for junior sister Yun. That someone, hurry up and make the noodles. That Old Xia, hurry up and make the Soup!"

After hearing fatty Wang's words, the people in the big kitchen immediately became excited. They didn't care about the big hole in their heads that leaked air and started to get busy.

Yun Chujiu:"..."

This fellow was very proud in his heart. Such treatment, even old man Xia Hou wouldn't have it, right? !

"After you're done, send it to my courtyard. I'll go back First!"Yun chujiu said to Fatty Wang.

Fatty Wang wiped the cold sweat off his head, nodded and bowed. "Junior Sister Yun, don't worry. When they're done, I'll get someone to send them to you! There's also a new batch of fruits in the kitchen. I'll send them to you as well."

Yun chujiu nodded. "Fatty Wang, you've been improving very quickly recently! You'll definitely have a great development in the future. Work hard, I have high hopes for you!"

Fatty Wang thought to himself, he didn't know if there would be a great development. He only had one dream now, and that was when the three months were up, this great-aunt should get lost quickly. It would be best if she didn't come back in the future!

Yun Chujiu returned to the dormitory with satisfaction. Seeing that di beiming wasn't in the courtyard, she pushed open the door and walked in. She saw di beiming reading a book.

“Idol, you didn’t see it. Qu Shanshan fell into the porridge pot, and then I showed her a face full of spicy noodles. This is terrible. hahaha!”

Di beiming did not speak.

“Idol, I asked the kitchen to cook some food. We can keep it for lunch.”

Di beiming was still reading and did not speak.

“Idol, did you hear what I Said?”

Di beiming did not even raise his head, let alone talk to her.

“Ahem, idol, what I want to say is that your book is upside down!”

Di beiming subconsciously changed the direction of the book and realized that he had been tricked. Now, it was upside down, okay?

Di beiming snorted and threw the book on the desk. He said to Yun chujiu, “Get Out! I want to be alone.”

“Prince Charming, are you angry? What did I do to make you unhappy?” A certain Jiu asked timidly.

“Get Out! I don’t want to talk to you!” Di beiming thought of the desolate scene just now and felt his heart suffocate, he actually left him alone in the yard just to look at an ugly monster. The black thing was increasingly disregarding him.

Yun chujiu saw that she had admitted defeat and di beiming was still acting tough. Her temper flared up, she pointed at di Beiming's nose and shouted, "You don't want to talk to me? I don't want to talk to you! Look at you now, you're acting like you're so arrogant!"

Why are you so arrogant? ! No matter how powerful you are, aren't you still the same nose and two eyes? You scolded me and asked me to write a self-reflection letter. What did I say? ! Do you think I'm really afraid of You? ! I'm just giving in to you!

Giving in, do you know what that means? I'm treating you like an insensible child!

Get lost! ! Do you think I want to see your constipated face? ! I Won't serve you anymore. You're just a shameless arrogant fool! "If I return it, I'll be your grandson!"

After Yun Chujiu said that, she slammed the door and went out!
