

## The Yun Family's Ninth Child is an Imp! Chapter 2776

As the saying goes, one should never hit a smiling person, not to mention a smiling person who was giving gifts. Elder Jing's tone softened a little. "Alright, I'll take the things. You can go now."

"Well, elder Jing, I have nothing to do. I think you're quite bored. Let's have a chat?" Yun Chujiu said with a smile.

Elder Jing glared at her. "Humph! I still have something to do. Please excuse me for not seeing you off."

After elder Jing said that, he closed the courtyard door with a bang.

A certain jiu touched her nose. Bah! Forget it! ! Who would want to chat with an old man like you? !

This guy rolled his eyes. He had wanted to ease his relationship with elder Jing and take the opportunity to learn something about talismans and formations, but now it seemed impossible.

Unfortunately, she couldn't enter the second floor of the library as a handyman. Otherwise, she could learn by herself.

This fellow turned around and left elder Jing's courtyard. She saw some inner sect disciples standing not far away, looking at her with unfriendly eyes.

This fellow raised her eyebrows. was she looking for trouble?

When ordinary people saw such a scene, they would definitely think of a way to avoid it. However, a certain jiu was not an ordinary person. She swaggered towards the crowd.

Although the crowd glared at her, no one did anything. After all, they all knew that this fellow was very valiant. She was not afraid of being locked up in a hole of thought. They were afraid!

When Yun chujiu saw these inner sect disciples, her heart moved. She actually thought of a good idea. Inner sect disciples would have regular dharma-imparting classes. Other than cultivation techniques, there would also be dharma-imparting classes such as alchemy and talismans. She could totally attend them!

Hence, this fellow stopped in his tracks and suddenly turned around to walk towards a disciple.

That disciple was shocked and stuttered, "You, what are you going to do?"

"When will you have dharma-imparting classes?"

The disciple stuttered, "There will be a dharma-teaching class on the first day of every month. What... What are you going to do?"

Yun chujiu asked again, "What about the other peaks?"

"Each peak is different. Tianji Peak is on the fifth day, and Megrez Peak is on the tenth day..."

Yun Chujiu silently memorized the dates of the dharma-teaching classes in each peak. When she was about to leave, she saw those people staring at her with unfriendly eyes, and her little temper flared up again.

She pointed at those inner sect disciples. "All of you, be careful. If you ever look at me with that kind of unwelcome gaze again, we'll go up the life and Death Arena and kill you!"

This fellow was completely conditioned. Because he was used to threatening people on the arena in the murderous element sect, he would pick fights with anyone he disliked.

Those inner sect disciples were dumbfounded. Their primordial chaos sect had always valued harmony and solidarity. They despised forcing people onto the life and Death Arena, and it was also something the sect disliked.

Therefore, they had never seen a certain Jiu who would pick a fight without a word. Therefore, they did not know how to react for a while. They were all dumbstruck.

Yun chujiu curled her lips and swaggered off.

When Yun Chujiu had walked far away, everyone was like they had just woken up from a dream and exploded!

“F \* ck! That Yun Chujiu stayed in the killing origin sect for three months, why does she look like a bandit? !”

“Wasn’t she the same in the past? ! She’s just more arrogant now!”

“HMPH! Sooner or later, someone will teach her a lesson! Oh right, why do you think she asked about the time for the Dharma impartation class? Could she be up to no good?”

“Anyway, it’s not a good thing! Let’s inform our fellow disciples from the other peaks about this news so that they will be on guard.”
