

The Yun Family's Ninth Child is an Imp! Chapter 2861

The man chuckled. "I haven't seen a human woman in tens of thousands of years. You're quite good-looking, so you can be my concubine!"

"PFFT! You shameless old monster! Why Don't you use the sea water to reflect your ugly appearance and still dream of marrying me? Tell me, what kind of demon are you?" Yun chujiu pouted.

The man exclaimed in surprise, "I really underestimated you. Do you know that I am a Demon?"

"Humph! Only a demon can look like you! Don't Dawdle, what kind of demon are you? Why didn't you stay in the cell obediently and run out for?" Yun chujiu asked half seriously and half tentatively.

"I am a succubus. From your words, have you seen other demons?" The succubus asked in surprise.

"I haven't seen many either. It's just some Xue Mo, Sha Mo, Tan Mo, Ying Mo, and so on and so forth. I kill every single one I see. People give me the nickname — Professional Demon Slayer!" Yun Chujiu said smugly as she hugged her shoulders.

How would the succubus know that this guy was talking nonsense, he said in shock, "What? You killed all of them? No, that's impossible! If we don't have any divine weapons, we can't kill demons. Besides, you're a trash at the sixth level of the Lingxuan realm. How Can You Kill Us Demons?"

At this point, the Succubus felt that something was wrong. Ah, that's right, this little girl had just broken through, why didn't her spiritual power level break through? How was this possible?

Yun Chujiu's heart skipped a beat. Other than Xue Mo, the names of those demons were all nonsense. Could it be that there really were these demons in the immortal origin continent? No, she had to think of a way to find out where these demons were hiding.

"TSK!" It was not that I was bragging, but the place where you were hiding was not easy to find. The places where those demons were hiding were simply too obvious, okay? ! Take Xue Mo for example. He was hiding in the Divine ax heavenly pit. He was simply stupid ! And that Sha Mo, he was hiding in..."Yun Chujiu said until here, it was as if she was stunned for a moment.

That succubus did not know that Yun Chujiu was fishing. It said casually, "Sha Mo was hiding in the Qiankun realm, and you found him too?"

"Cheh!" The universe realm was nothing. Not only did I find him, but I killed him easily! And that greedy devil, the place where he was hiding was really cheh! Although it was a bit unexpected, I still found him!"Yun Chujiu said with a twitch of her lips.

"Greedy Devil was hiding in the five-colored relic tower. You, you found him too? No, impossible!"The succubus was obviously shocked by the huge amount of information. Otherwise, she would not have failed to see through Yun Chujiu's little trick.

“What is this? ! Ying Mo is even more unlucky. I just happened to wander around and accidentally met it. Then, I killed it! Tell me, which place did it choose to hide in? It actually hid in that thing. It’s really unlucky!”

“Impossible! Impossible! Ying Mo’s hiding place is the most secretive. It’s impossible for you to find it! Moreover, it can hide in a person’s shadow. How could you find it?”The Succubus said in disbelief.

Yun chujiu snorted coldly, “Secretive? How can that lousy place be called secretive?”

“You’re talking nonsense! Ying Mo is hiding in Zhu Tian valley, there’s no...”just as succubus was about to continue, she suddenly realized something was wrong.

“You, what a cunning little girl! You’re actually trying to trick me! But it doesn’t matter, don’t even think about leaving here today! I’ll eat you after I’ve Taken Your Yuan Yin!”Succubus said in anger, she spat out a mouthful of black mist at Yun Chujiu.
