

The Yun Family's Ninth Child is an Imp! Chapter 2890

Hei Xinjiu did not know that a certain someone was jealous. This guy and an Linchuan went to master Baili's place to explain the matter before humming a tune and returning to the dormitory.

The moment this guy pushed open the courtyard door, he was almost turned into an ice sculpture. He saw a certain someone sitting there with a cold face. The disaster-prone tree in the courtyard had been completely destroyed, only a tree stump was left there pitifully.

"Prince Charming, you're here! Let me tell you, a few days ago, i..."

A certain Jiu's words came out of nowhere. Because the green stone slab started to crack with a certain jiu at the center, and the house behind her started to shake, this guy finally realized that something was wrong.

"That, that Prince Charming, calm down! Calm down! Impulsiveness is the devil, impulsiveness is the devil. What's wrong with you?"

Di Beiming's eyes were fixed on Yun Chujiu. His body was slightly trembling as he squeezed out a sentence from between his teeth, "You eloped with him?"

A certain Jiu was dumbfounded. eloped?

She eloped with someone?

What a joke!

“Prince Charming, are you sure you’re talking about me? I eloped with someone? If I eloped, I would be eloping with you too!” A certain Jiu had an innocent look on her face.

“HMPH! Tell me, what’s going on? Who’s that monkey-faced man?”

Although a certain jiu still trusted Yun Chujiu in his heart, he couldn’t control the jealousy in his heart when he heard the discussions of those people. Especially when his little wife was getting more and more beautiful. He saw that all men were love rivals.

The corner of Yun Chujiu’s eyes twitched. Monkey-faced man? Although senior brother An was not as good-looking as you, he was also a good-looking person, okay?

However, this guy knew that he was on the verge of exploding, so he could only stroke his hair, with a look of disgust, he said, “AH, Prince Charming, you said senior brother An! He is an idiot. He is even more stupid than a black chicken! The thing is, a few days ago...”

Yun Chujiu told him everything. In order to increase the credibility of the story, this guy even told her about an linchuan saying that only the blind would marry her.

So, a certain jiu successfully transferred the anger of a certain God to a certain unlucky guy. A certain jiu narrowed her eyes. Did he not have eyes? Very good!

A certain jiu stole a glance and saw that the cold air on a certain God's body had dissipated a lot. Then, she said eagerly, "Prince Charming, have you eaten lunch? Come, let's not be angry with that pointy-mouthed monkey-faced idiot. Let's Eat!"

Di beiming snorted coldly and did not say anything, but he did not reject her either.

A certain jiu secretly heaved a sigh of relief. This article was finally over for the time being.

This fellow was ruthless in his heart. F * ck, when she was free, he would definitely beat up those scums who were spreading rumors.

This fellow diligently placed the dishes that di beiming liked to eat. Then, he eagerly helped to pick up the dishes and serve the rice. He was just short of feeding them with a spoon.

After a meal, a certain Jiu's expression finally returned to normal.

A certain jiu tried to find something to say. "Male god, the jade token you gave me last time really helped me a lot. Otherwise, I really wouldn't know what to do."

Male God, you're really amazing. A wisp of your divine sense actually crushed those dregs to death! My admiration for You is like a torrential river!"

The corners of a certain venerated's mouth curled up imperceptibly. "A few days ago, I found another jade token of the same material. You can keep it."

Yun chujiu received the jade token from di beiming and the smile on her face became even brighter. "Prince Charming, you are really too good! Come, give me a Kiss!"
