

## The Yun Family's Ninth Child is an Imp! Chapter 2892

A certain Jiu was so anxious that her forehead was sweating. "Prince Charming, it's a misunderstanding, a misunderstanding, it's all a misunderstanding! Calm Down, calm down, you must calm down!"

Di beiming broke free from Yun Chujiu's hand in an instant, he turned around and looked at Yun Chujiu with red eyes. "Black Thing, whatever disaster you've caused, this venerable one can help you clean up the aftermath. However, you shouldn't create any drama about eloping with any husband or husband! I still have other matters to attend to. You should think about it yourself!"

After a certain jiu finished speaking, she disappeared in a flash.

A certain jiu looked at the mess on the ground and then thought about the look in a certain Jiu's eyes when she left. She was anxious and aggrieved, and she was so angry that she was twitching, "This gigolo is simply a big vinegar VAT! He's simply unreasonable!"

This fellow thought about it. Now that Di beiming was in a rage, he probably wouldn't listen to anything she said. It was better to talk about it in a few days.

A certain jiu blinked her eyes and took out her identity jade token to send a message to the manager of the general affairs office, asking him to arrange for people to repair her house.

After the manager of the General Affairs Office received Yun Chujiu's message, he was afraid that this bad news would cause trouble at the general affairs office, so he quickly sent dozens of people over to help repair the house. Moreover, the materials they brought were all of the best quality.

When the general affairs office workers who were repairing the house came over and saw the miserable state of Yun Chujiu's courtyard, they immediately shrunk their necks.

Oh My God, the house was not destroyed like this when the demon beasts rebelled last time. How did this ancestor do it?

When they looked at Yun Chujiu's gloomy face, they immediately became even more terrified. This ancestor even dared to beat up an inner sect disciple. It was better not to offend her, or else their lives would be in danger.

Thus, during the repair process, these servants were afraid that Yun chujiu would not be satisfied, so they forcefully repaired a servant's courtyard to be better than an inner disciple's courtyard. Moreover, it was fixed before the sun set, it could be said that they created the fastest speed for the servants to repair the house.

A certain Jiu sent a few voice transmission talismans to di beiming at night, but di beiming did not reply. The more he thought about it, the more angry he became. He vented his anger on the disciple who spread the rumor that she had eloped with an linchuan.

The next day, this guy brought a large kitchen knife to Yaoguang Peak. He found the disciples who spread the rumor, regardless of whether they were men or women, and gave them a good beating.

“F \* CK, which Eye of yours saw me eloping with senior brother an? ! Since your eyes are useless, do you want me to Poke Your Eyes Blind?”

“You Shameless B \* stard, are you slandering people with your long mouth? ! Do you want me to feed you some medicine to make you mute?”

“What? You also heard it from others? Do you believe what others say? Since you don’t use your brain, do you want me to help you cut off your head?”

..

All of a sudden, the people on Yaoguang Peak were screaming and lying on the ground. Most of them were female disciples.

It was not that these people had not resisted, but after seeing Yun chujiu blow up a huge rock into powder, they immediately stopped.

They were deeply aware of the fact that this fellow in front of them didn't care about the rules of the sect at all. If they provoked her, she would really dare to blow them up with talismans.

An Linchuan, this fellow, had been locked up by mountain master an. After hearing the news, he was afraid that Yun Chujiu would cause a big trouble, so he didn't care whether he was locked up or not. He hurriedly rushed over.

"Junior Sister Little Jiu, junior sister little jiu, quickly stop!"

Yun chujiu looked at an Linchuan, who had a pointy mouth and a monkey's cheeks. She was instantly furious. She said coldly, "Go to the side. I'll settle the score with you later!"
