

The Yun Family's Ninth Child is an Imp! Chapter 2893

An Linchuan shrunk his neck and obediently stood to the side.

After a while, this fellow finally reacted. He didn't do anything wrong. Why did junior sister Jiu shout at him? Why did he feel guilty?

He had really seen a ghost!

The disciples on the ground originally thought that an Linchuan's arrival would stop a certain Jiu's atrocity. They didn't expect Yun chujiu to stop her with a shout. Instantly, their hearts turned cold.

Some of the disciples secretly sent a message to mountain master an. Now, only mountain master an could save them.

After receiving the message, mountain master an flew into a rage. He was already somewhat dissatisfied with Yun chujiu. He felt that ever since his son met Yun Chujiu, he had never stopped, not to mention the scandal of eloping.

Thus, mountain master an arrived at the scene of the accident with a stern face.

Seeing the disciples beaten black and blue on the ground, mountain master an became even angrier!

“Yun Chujiu, what are you doing? !”Mountain master an shouted sternly.

Of course, he didn't really mean to ask what Yun Chujiu was doing, but to ask her to stop and apologize.

Unfortunately, a certain Jiu didn't care about this. She kicked the disciple who reported the news a few times and then said to mountain master an,

“Mountain Master An, a few days ago, senior brother An and I went into danger for the sake of the safety of the immortal essence continent. Originally, we did not intend to ask for any praise, but we did not go so far as to slander us for eloping, did we?”?

These people were the disciples of Alkaid Peak, and most of them were inner sect disciples. They did not cultivate properly, and all they did was spread rumors and slander senior brother An and my reputation.

Actually, my reputation was secondary. After all, I had always been thick-skinned. However, senior brother An was your son. They slandered senior brother An to slander you. As a junior, I really couldn't stand it, so I taught them a lesson.

Of course, beating a dog depends on the owner. I'm not from Alkaid Peak, so I beat them up on my own initiative. I was wrong. "How about this, you can punish me however you want. Whether it's the cave of reflection or the cave of Tranquility, I won't Say Anything."

Yun Chujiu's words rendered mountain master An speechless. Although he was unwilling to admit it, mountain master An was still somewhat dissatisfied with the previous rumors. However, as the mountain master, he couldn't punish these disciples to avoid suspicion.

Today, Yun Chujiu had dealt with these disciples. In fact, he did not care much about it. What he cared about was that Yun Chujiu had challenged his authority as the peak master of Alkaid Peak. What he cared about was that Yun Chujiu had "Corrupted" his son.

Just as Mountain Master An was hesitating on how to deal with Yun Chujiu, an Linchuan pleaded on the side, "Father, junior sister Xiao Jiu is also fighting for me. If you want to punish me, then punish me!"

An Linchuan's words were like adding oil to a fire, and mountain master An's expression became even uglier!

"Yun Chujiu, as a part-time disciple, you beat up a disciple of my Alkaid Peak. I will suggest to Master Baili that you go to the far west to fight against the nightmare race."

As soon as mountain master An said this, an Linchuan's expression changed!

“Father, you can’t do this! Those who go to the far west are all elders because their spiritual power is high enough. Junior Sister Little Nine is only at the sixth level of the Ling Xuan Realm. If you let her go to the far west, then you are sending her to her death!”

Hearing an Linchuan’s words, mountain master an became even angrier. He flung his sleeves and said, “Don’t talk anymore! You have wasted your cultivation these days. Why Don’t you hurry back to your courtyard? ! If you talk anymore, don’t come out!”
