

The Yun Family's Ninth Child is an Imp! Chapter 2903

Early the next morning, an Linchuan and Shangguan Hao came to court them!

Yun Chujiu looked at the breakfast on the table and her eyes twitched! There were dozens of porridge, hundreds of pasta dishes, and various side dishes. Damn it, she was struck by lightning!

After breakfast, the two of them served tea and water and asked some questions about cultivation.

Di beiming was in a good mood and answered their questions patiently.

An Linchuan and Shangguan Hao were enlightened. They looked at di beiming with even more admiration. They almost knelt down and worshipped him!

Yun chujiu looked at the three of them who were chatting happily. She felt sour in her heart. Damn it, why did she feel like her man was stolen?

A certain Jiu became more and more annoyed the more she looked at the two brainless fans. In the end, she picked up a large kitchen knife and chased them out.

A certain Jiu's eyes flashed with a faint light. So Little Jiu was so cute when she was jealous. Should she design something like this in the future?

Therefore, when an Linchuan and Shangguan Hao came again in the afternoon, a certain Jiu's explanation became even more patient. A certain Jiu was so angry that she was twitching. Not only did she have to guard against Little B * tches, but now she even had to guard against men! Was she being kind? !

A certain jiu might have had a sense of crisis. At night, she acted coquettishly and cutely towards a certain jiu. A certain Jiu had a thought before she went to bed. HMM, this method was not bad. Those two pieces of trash still had some uses.

The poor two brainless fans thought that their solicitude had earned the attention of the god. Who knew that they were just tools for a certain jiu to cling onto her.

Di beiming wanted to stay a few more days, but he received Xue Wuji's voice transmission talisman the next day, so he had to leave in a hurry.

When an Linchuan and Shangguan Hao found out that di beiming had left, they looked like eggplants that had been hit by Frost, as if they had nothing to live for.

Hei Xinjiu couldn't hold it in anymore and asked, "Senior brother An, senior brother Shangguan, I don't understand. Isn't the pretty boy just a little more spiritual power and a little more angry? Do you have to be like this?"

“What? Gigolo? Junior Sister Jiu, you, you have gone too far! How dare you slander the God in our hearts? Shut Up!” An Linchuan said angrily.

Although Shangguan Hao did not say anything, his eyes were full of disapproval. If eyes could kill, Yun Chujiu felt that she had most likely become a sieve!

Yun Chujiu’s heart was like a beeping dog as she said weakly, “I, I just misspoke. So, can you give me an answer now?”

An Linchuan did not answer Yun Chujiu’s question. Instead, he said angrily, “HMPH! Even if it was just a slip of the tongue, it won’t do! Although you are my blood junior sister, if you ever disrespect the Great God again in the future, senior brother won’t agree!”

Yun Chujiu felt that her brain was not enough. F * ck, could it be that these two guys had been drugged by the gigolo?

Just as Yun chujiu was cursing in her heart.., she heard an linchuan continue, “In the immortal Yuan continent, the strong are respected. A strand of the great god’s spiritual sense instantly killed hundreds of people from the Divine Devil Hall. What kind of godly power is this? ! Even Master Baili couldn’t do it, let alone that it was just a strand of the great God’s spiritual sense ! !

Thinking about how I was slapped away by the great god five times, I felt my heart surge. After I went back, I kept that set of sect clothes. This is my first intimate contact with the great god...”

A certain Jiu’s eyes twitched violently. She really wanted to vomit?
