

The Yun Family's Ninth Child is an Imp! Chapter 2905

Yun chujiu did not have much of a feeling before, but after hearing an Linchuan's words, she suddenly realized that the threat of the nightmare race was already so great.

She recalled what di beiming had said. The human race had been at ease for too long, and the nightmare race had been preparing for a counterattack. The human race would definitely suffer a heavy blow.

Yun chujiu was actually a very contradictory person. Call her selfish, but she would stand up in many critical moments. However, there were many times when she was afraid of death and would secretly hide behind to pick up scraps.

In fact, one of the criteria for this fellow to do things was to depend on his mood, while the other was to protect his own shortcomings.

If an Linchuan and Shangguan Hao had not gone to the far west to face the enemy, this fellow would have been able to hide in the primordial chaos sect in peace. However, now that he saw that the two of them were going to the battlefield, this fellow could not hide anymore.

Thus, this fellow eagerly went to master baili and requested to participate in the battle in the far west.

Master Baili flatly rejected her request. Although master baili usually had a headache because of a certain Jiu's troublemaking, if he did not value Yun chujiu, he could find a reason to expel her from the primordial chaos sect! How could he allow her to do as she pleased? !

Yun chujju put in a bunch of good words, but Master Baili did not agree in the end. Hei Xinjiu could only return to her dormitory with her head lowered.

Three days later, the elders and disciples of the Primordial Chaos sect headed to the far west region.

Unlike the previous trials, everyone's faces were filled with grief and indignation. Some were sad about the sacrifices they had made, and some were terrified about the unknown road ahead.

A certain jiu in the crowd shook her head. This aura was not right at first. With such a spirit, going to the battlefield would be suicide. No, she had to think of a way to go with them.

She could not watch her good friend die. Moreover, the others were all old acquaintances, such as mountain masster Zhuo, elder jing, and elder Yuwen. She could not remain indifferent.

However, Master Baili had flatly rejected her request. If she wanted to follow him, she could only go secretly!

This fellow counted with his fingers. It happened to be the third month, so this fellow had an idea.

Two days after an Linchuan and the others set off, heixinjiu found master baili and proposed to go to the yuan-killing sect.

Master Baili was in a terrible situation. He felt that it would be good to send this fellow to the yuan-killing sect. Therefore, Master Baili sent Master Xiahou a voice transmission talisman and asked him to send someone to pick up Yun Chujiu.

Master Xiahou was also in a terrible situation. He asked his disciple Leng Kui to come to the primordial chaos sect to pick up Yun Chujiu.

Leng Kui didn't have a good impression of Yun Chujiu in the first place. Moreover, with a great enemy in front of him, this guy actually caused trouble at this time. He really didn't know what to do!

Leng Kui didn't bring any other disciples. He arrived at the Primordial Chaos sect alone in a huff.

A certain Jiu said goodbye to Jin Zhi and Ye Bingyu. Then, she left the mountain gate of the primordial chaos sect and hopped onto Leng Kui's flying spirit tool.

"Humph! Yun Chujiu, you're really good! At this time, you still have the mood to mess around in two sects? You're really heartless!" Leng Kui said with a cold face.

Yun chujiu curled her lips. “When? Isn’t the three-month period over? When else could it be? !”

“You! You’re simply a scum! Don’t you know that the immortal origin continent is currently facing a huge crisis? The defensive line of the Far West region is in imminent danger. If it wasn’t for those benevolent people who sacrificed themselves for justice, the defensive line would have long collapsed!

Not to mention anything else, two days ago, another batch of brave warriors rushed to the far west. It was very likely that they would lose their lives. “You are good. It’s fine if you don’t help, but you are actually playing tricks. If you aren’t a scum of the immortal essence continent, then what are you? “
