

The Yun Family's Ninth Child is an Imp! Chapter 291

At first, Yun Chujiu was still hopping around. Then, she started walking faster, and then slowed down, before finally quickened her pace again...

"Damn it! Is there no end to this lousy desert? I'm so tired!"

"Rolling pin, can't you install two wheels under the chopping board and become multifunctional?"

The rolling pin's heart was on the verge of collapse!

'Master, I'm a pin... A pin!! The fact that I can turn into a chopping board was already very abnormal, okay?! Now you want me to have wheels?! This is simply a tough nut to crack!'

"If I knew this would happen, I would've kept a scorpion! I pulled out its stinger, cut off its pincers, and mount it! What a mistake!"

"Fortunately, I have enough food and water. I can last for a month at most. When the time is up, I will naturally be teleported out."

After Yun Chujiu mentally adjusted herself and continued to move forward slowly.

At noon, the sun was even hotter. Yun Chujiu was afraid that her skin would turn tan again so she wrapped herself tightly and made a simple parasol before continuing to move forward.

Finally, Yun Chujiu saw a patch of green in front of her.

Could it be a desert oasis?

Yun Chujiu was suddenly energized. She did not care about the parasol and ran quickly.

After a while, Yun Chujiu ran back quickly and shouted as she ran, “F*ck! Didn’t they say that the highest level demon beast here is a Tier four demon beast? Why is there a Tier eight single-horned demon lizard?!”

A large amount of sand and dust rose behind Yun Chujiu as a huge green single-horned demon lizard crawled over.

Yun Chujiu wanted to cry, but no tears came out!

Tier eight! That was equivalent to the 9th Level of the Spirit Cultivator realm! Back then, although those Mighty Elephants were fooled by her, that was because they were afraid of the almighty experts and Spirit Radiance Sect’s array formation. This single-horned demon lizard did not have any worries.

No wonder that group of damned desert scorpions did not flee this way. It turned out that there was such a great demon beast here. Who the f*ck would dare to come?!

Throwing the cactus fruit?

What kind of joke was that? Even if the one-horned demon lizard did not go crazy, it was already so terrifying. If it went crazy, would it not go absolutely berserk?!

Yun Chujiu was already exhausted to begin with so the single-horned demon lizard caught up with her effortlessly.

It extended its long tongue toward Yun Chujiu. She dodged to the side.

Yun Chujiu knew that she would not be able to outrun the single-horned demon lizard, so she could only stop and take out the rolling pin to fight it.

“Keep your tongue! Listen to me first. You can eat me later!” Yun Chujiu looked at the single-horned demon lizard’s long tongue and could not help but get goosebumps all over her body.

The single-horned demon lizard was stunned. It did not expect that this little human girl would not run away! Although it could not speak human language, it could still understand it.

“We don’t have any grudges with each other, right? I didn’t steal your beauty nor kill your child, right?” Yun Chujiu asked seriously.

The single-horned demon lizard did not know what Yun Chujiu meant with that question, so it nodded its huge head.

“So, you and I have no grudges. Why do you have to eat me then?” Yun Chujiu said innocently.

The single-horned demon lizard looked at Yun Chujiu with disdain. It obviously thought that Yun Chujiu was asking nonsense. The strong preyed on the weak. What kind of reason did she need?!

“Look, my body is skinny, and I don’t have much meat! How about this? I have the demon cores of the desert scorpion in my storage ring. Isn’t that thing more delicious than my meat? I’ll give you a dozen of them. Let me go!” Yun Chujiu took out a handful of desert scorpion’s demon cores from her storage ring, as she said pitifully.
