

## The Yun Family's Ninth Child is an Imp! Chapter 2960

At the foot of Fang Dou Mountain, Hei Xinjiu was rolling her eyes as she thought of an idea.

Since Alliance Master Yan's group of Old Fogeys could not persuade her, then she could only use her own method to solve it.

If she did not evacuate the people of the freelance martial alliance from the killing Wind Gap, then there would only be death tonight. Their freelance martial alliance had been pieced together in the first place and was not a match for the main force of the nightmare clan at all.

Of course, she would not let the Alliance army that had taken their place to die either. She had to think of a way to break this deadlock.

This fellow wanted to force all the generals at the pass to listen to her words, but firstly, it was not very maneuverable. Secondly, if she did that, even if they really won.., those generals would probably be completely disgraced in front of Alliance Master Yan and the other big shots.

Before Hei Xinjiu could come up with a plan, Yuan Xi ran over from the top of the mountain.

Yuan XI had heard from his subordinates that Leng Xiaojiu had brought people to take over his Fang Dou mountain. He had thought that she had only brought a few people, but from the looks of it, there were thousands of people. What was Leng Xiaojiu up to? Was she going to rebel?

“Alliance Master Leng, you, what are you doing? You have brought people here. What about the Storm Vent?” Yuan Xi asked in surprise.

“I’ve already given the windbreak to someone else to guard. I think your Fang Dou Shan is pretty good, so I plan to stay in your Fang Dou Shan for a few days,” Hei Xinjiu said with a smile.

Yuan Xi was dumbfounded. What did she mean by his Fang Dou Shan was pretty good? Was she really planning to take over the magpie’s Nest?

“Alliance Master Leng, don’t joke around. Did the alliance order you to take over my Fang Dou Shan? Pass me the document.” Yuan Xi thought that Yun Chujiu came with the Alliance Army Document.

“Sigh! General Yuan, you are right! It is true that Alliance Master Yan gave me a document to take over, but my spiritual pet was mischievous and accidentally burned it. Do you think you can make an exception?” Yun Chujiu said as she took out the little black bird to take the blame.

Xiao Heiniaoh rolled its eyes. Who Did it offend? !

“This, this is easy. I will send someone to Alliance Master Yan to verify it.” Yuan Xi had already believed more than half of it. After all, he did not expect Hei Xinjiu to dare to tell such a big lie.

Yun Chujiu looked at the sky and said, "General Yuan, look at the sky. It is already dark. This trip will take a lot of time. Why Don't You Send Someone Tomorrow Morning?!"

"Besides, Alliance Master Yan did not give you any other mission. You can stay in Fang Dou Shan for now. I don't mind."

Yuan Xi was still a little skeptical. He looked at Shangguan Hao. He trusted Shangguan Hao more, so he asked, "Young hero Shangguan, is what Alliance Master Leng said true?"

Shangguan Hao refused to answer the question in his heart, but since the question had already reached his head, he could only say, "Yes, it's true."

When Yuan Xi saw that Shangguan Hao had confirmed it, there was no longer any doubt in his heart. He happily allowed Hei Xinjiu and the others to enter Fang Dou mountain.

The people from the freelance martial artist Alliance were even more impressed by their alliance master Hei Xinjiu. Damn it, their alliance master Hei Xinjiu was too good at deceiving people. How could she have tricked them into entering Fang Dou mountain just like that?

But, why did she bring them into Fang Dou Shan? Just to find a place to stay?

Hei Xinjiu brought her people into Fang Dou Shan and then said to Yuan Xi with a smile, "General Yuan, what I said just now was actually a lie. I don't Have Alliance Master Yan's document."

Yuan Xi was stunned at first, then said with a smile, "Alliance Master Leng, don't joke around. It's a big crime to Impersonate Alliance Master Yan's order to take over the pass. Do you think I would believe it?"
