

The Yun Family's Ninth Child is an Imp! Chapter 2984

As soon as Hei Xinjiu entered, the door of the hall was closed.

This guy looked around and found that the interior was very luxurious, but the most eye-catching one was the statue of Meng Yanshou in front of him.

This statue was much bigger than the one on the round platform, and it was even more vivid.

While Yun Chujiu was looking around, the statue spoke in human language, "It's another little kid with Heavenly Thunder Spirit Root. Last time, I was kidnapped by a brat, and now I can take it out on you!"

Yun chujiu burst into laughter!

"Hey, curly hair, you're good. weren't you locked up in the Tian Yuan continent? Why are you here pretending to be a ghost again?"

After Yun Chujiu said this, the entire divine hall suddenly became quiet. There was no sound at all.

Yun chujiu sneered, “Curly hair, do you think that you’ll be fine as long as you don’t make a sound? You swore an oath in your heart. You have to listen to me for the rest of your life. I’m ordering you now, Get Out!”

As soon as Yun Chujiu finished speaking, a black mist drifted out from the statue and transformed into the appearance of Meng Yanshou, however, the originally fierce expression was filled with flattery.

“Little Fairy, so it’s you! How did you change your appearance? I was blind and couldn’t recognize you. Why did you come here?”

Meng Yanshou felt as if he had seen a ghost! F * CK, wasn’t this jinx in the Tian Yuan continent? Why did it come to the Yan Clan?

“HMPH! You still have the cheek to ask me? Tell me, what’s going on? How did you become the Holy Beast of the Yan Clan?” Yun Chujiu took out a chair from her storage ring and sat on it with her legs crossed as she asked.

Meng Yanshou was like a lapdog as it knelt in front of hei xinjiu, it sighed and said, “Little Fairy, you promised to let me out, but I waited for you on the left and you didn’t come on the right, so I could only come to the Yan clan to play...”

“Speak in human language!” Yun Chujiu didn’t believe his nonsense. The so-called land of the Yan clan had existed for many years. It was possible that it had existed for tens of thousands of years. How could curly hair have just arrived?

Meng Yanshou: "..."

He really wanted to shout at this black-hearted brat, "Damn it, I'm a Meng Yanshou!"! He couldn't speak human language when he was a human! However, it did not dare to.

Just as Meng Yanshou was about to make up a story, hei xinjiu said coldly, "You'd better tell me the truth, or your body will never be able to regain its freedom!"

Meng Yanshou's four vertical pupils immediately lit up. "Little Fairy, have you found the key to the Heaven Punisher Axe or the iron chain? Or have you found the ten-thousand-year-old fire marrow?"

Yun chujiu snorted coldly. "Don't even think about the key. I've asked Dean Huangfu of the Tianyuan Institute in a roundabout way. He doesn't even know what's inside the Forbidden Land, let alone the key to the chains."

Meng Yanshou immediately became dispirited. It knew that it wouldn't be so easy to regain its freedom.

"However, the Heaven Punisher Divine Axe and the ten-thousand-year-old fire marrow are in my hands."

Meng Yanshou suddenly stood up. “Little Fairy, is what you said true?” “I knew that you are not an ordinary person. If you were an ordinary person, you would have been killed by Tian Dao!” “Little Fairy, then don’t waste time. Hurry back to the Tian Yuan continent and release my main body so that I can follow you and kill everyone!”

Yun chujia glanced at it. “Why are you in such a hurry? I haven’t finished speaking! Although the Heaven Punisher Axe and the ten-thousand-year-old fire marrow are in my hands, I still have no way to release you.”
