

The Yun Family's Ninth Child is an Imp! Chapter 2996

Buttface was shocked to find that the little girl in front of him was able to learn it as soon as she taught it. She was able to draw inferences from one example. What three years or two years? She would probably be able to communicate daily in two days!

Five days later, Yun Chujiu had almost mastered the ancient language of the nightmare race. Other than some unfamiliar words, she could basically break away from being addressed as illiterate.

“Buttface, come with me! What can you do in this small village? ! You were a noble in the past, so why are you reduced to a small villager now ? ! “Come, follow me. I’ll take you to fly with me!” Hei Xinjiu started to trick buttface.

How could buttface resist Hei Xinjiu’s trick? He was tricked by Hei Xinjiu and became her follower.

Hei Xinjiu left the village with buttface. Before Buttface left, he said, “Little Fairy, you are too good-looking. It is inevitable that you will be targeted by the nobles. It is better for you to make yourself ugly.”

Yun chujiu thought about it and agreed. It was better to make things less troublesome. Hence, she made her face sallow and drew a figure-eight eyebrow. She smiled at buttface and said, “Buttface, is this ugly enough?”

Buttface fell to the ground. He thought to himself that even if the nightmare clan lacked women, no one would want this honor for free. It was too damn ugly!

When the people in the village saw Hei Xinjiu behind buttface, they were all dumbfounded!

What did Gou er do? How did he turn a delicate beauty into a hag?

Five days later, Yun Chujiu and Buttface arrived at the capital of the Nightmare clan, which was also the capital where the royal and noble families of the nightmare clan gathered.

As soon as she entered the city, hei xinjiu noticed a phenomenon. There were more men than women in other places, but why were more than half of the people on the street women?

Moreover, the women were all shy and had obviously dressed up meticulously. What were they doing?

“Sheng Zun, I didn’t expect that the Lord of the Nightmare clan would finally come back after waiting for so many years!”

“Yeah, I thought that we had been abandoned. I never thought that the Sheng Zun would not forget us and return!”

“I heard that the Sheng Zun is very handsome. If I could meet the Sheng Zun, I would have died in peace!”

..

Yun Chujiu was stunned. Sheng Zun?

“Er Gouzi, who is the Sheng Zun?”

“Little Fairy, according to legend, the Yan clan members who left back then were brought out of the dark continent by the Sheng Zun. A few days ago, there was a rumor that the Sheng Zun had returned to the dark continent and is now living in the Imperial Palace.”

Yun Chujiu’s heart skipped a beat. Curly hair had said that it was the demon who had brought the Yan tribesmen out of the Dark Continent. Could it be that the so-called Sheng Zun was a demon?

However, no matter what, that Sheng Zun definitely had a way to leave the dark continent. It would be best if she could think of a way to get close to that Sheng Zun.

However, that Sheng Zun was in the imperial palace. How could she get close to him?

Just as Yun Chujiu was worrying, a team of guards walked over. The leader was an old woman. When the old woman saw Yun Chujiu, she immediately nodded with satisfaction. "It's her!"

Yun Chujiu was dumbfounded. What did she mean by it's her?

"Granny, who are you? Where are you taking me?" Hei Xinjiu asked with a trembling voice. Of course, she was speaking the ancient language of the Yan clan.

"Our Princess is going to choose a few new palace maids to serve her. Your looks are just right. Cut the crap. It's your fortune to be able to serve our princess in the Imperial Palace!" The old woman said arrogantly.

Hei Xinjiu was ecstatic. "Granny, really? I can serve the princess in the Imperial Palace? I'm really grateful to your ancestors!"

The Old Woman: "..."
