

The Yun Family's Ninth Child is an Imp! Chapter 3013

Buttface stood behind Hei Xinjiu with a complicated look on his face. Although he was seeking death by playing tricks, he had to admit that it felt really good to act cool!

After Hei Xinjiu acted cool, she sneaked to the door of Sheng Zun's study and hesitated whether she should go in or not?

This guy rolled his eyes and shouted into the room, "Sheng Zun, if there's nothing else, I'll go back to my own room to rest."

The guards of the Sacred Palace cursed in their hearts. Shameless! Which room in the Sacred Palace is yours? !

Hei xinjiu also realized this problem. which room was hers? Before Sheng Zun could figure it out, he heard the Lord's gloomy voice from the study room, "Get in Here!"

Get Out of my face!

This crazy Lord doesn't seem to know how to speak human language!

Hei Xinjiu grumbled a little before obediently entering the Sheng Zun's study.

In the study, the Sheng Zun held a sheepskin scroll in his hand and was flipping through it.

Hei xinjiu glanced at it and saw that there were five words written in the ancient language of the Yan clan, "Fallen God abyss". This fellow's heart skipped a beat. Fallen God Abyss?

As the name implied, wasn't that the place where the gods died? If this Sheng Zun was reading such a book, it meant that he must be a demon! So it was an old demon. He must have some evil idea to be so tolerant of her.

Could it be that he knew that she had the heaven-punisher axe, so he didn't fall out with her?

That was not right. She had never revealed her cleaver, and she had taken a disguise pill. Logically speaking, he shouldn't have recognized her. What was he trying to do?

Just when Hei Xinjiu was puzzled, the Lord placed the sheepskin scroll on the desk and stared at Hei Xinjiu gloomily.

"Are you a human? Do you want me to take you out of the Dark Continent?"

Yun Chujiu's heart sank. Since he had already asked, it meant that he had already confirmed it. There was no point in refuting her. She might as well play along.

Therefore, hei xinjiu said with a smile, "Sheng Zun is indeed Sheng Zun. That's right, I'm a human. I want to return to the immortal Yuan continent. I wonder if Sheng Zun can help me?"

Sheng Zun curled his lips and remained silent. He just tapped the desk with his fingers, which sounded like he was tapping on Hei Xinjiu's heart.

Hei Xinjiu's heart was in a mess. She looked at Sheng Zun warily and told Xiao Heiniaoy in her heart that if Sheng Zun made trouble, she must curse him immediately so that she could escape.

Finally, Sheng Zun stopped tapping the desk and said with a faint smile, "It's not impossible to take you to the immortal Yuan continent, but you have to tell me how you came to the Dark Continent."

Hei Xinjiu rolled her eyes. Although the entrance of the miasma area was not important, how could she explain that she was not afraid of the miasma?

Therefore, the guy said, "When we humans were fighting against the Yan clan in the Immortal Yuan continent, I was captured! Those people of the Yan clan sacrificed me to their holy beast.

“The Holy Beast looked very fierce, and it had four vertical pupils that looked like snakes. “I was going to die, but I didn’t expect to be in the dark continent when I woke up. I don’t know what exactly happened.”

Meng Yanshou:” ...”

Who Did it offend? Why was the blame placed on its head? She was the one who insisted on barging into the poisonous miasma area, alright? She was the one who risked her life to block the exit of the Nightmare Air, alright? Shameless!

The Lord chuckled after hearing Yun Chujiu’s words. Hei Xinjiu could hear the disdain and ridicule in her voice. The little flame in her heart rose up quickly, but this guy was cowardly and did not dare to make a sound. Sheng Zun did not dare to say anything.
