

The Yun Family's Ninth Child is an Imp! Chapter 3015

Yun chujiu was so angry that she kicked the nightmare beast to the wall. For the 10,000 th time, the Nightmare Beast despised its host body. It was F * cking weak!

“Little Fairy, can you not be so unreasonable? Can you not be so unreasonable? Didn't I just laugh a few times? Do you have to treat me like this? After all, I am an ancient ferocious beast. I have no face at all!

“Besides, what's wrong with me laughing? “How can you know that fiend? “If you know that fiend, I'll choose a pig next time I choose a host body!”Meng Yanshou said angrily.

Hei xinjiu frowned. “Although there are many things that are out of place, I just feel that they are very similar. I'll definitely find an opportunity to verify it again.”

Meng Yanshou obviously remembered to eat and not to hit that group. He leaned over and asked, “By the way, Little Fairy, who is the person you know? What's his relationship with you?”

“He is my fiancé! He also ascended from the Tian Yuan continent.”Because Meng Yanshou was half a soul..., therefore, Yun Chujiu did not establish a contractual relationship with Meng Yanshou. Therefore, Yun Chujiu was still somewhat wary of Meng Yanshou, so she naturally would not tell it everything.

“Ascended from the Tian Yuan continent? That is even more impossible! That person has lived for a long time! However, little fairy, if that person is really, I mean, if that person is really your fiancé, what would you do? You have to know that that person's identity is not simple.”Meng Yanshou asked curiously.

Yun chujia smiled. "What's there to do? I love that person, not his identity. Not to mention that he's some saint, even if he's an old devil, I still love him."

"I don't care about the righteous path or the evil path. I don't care who I want to love! "If he is a god, I will accompany him to save all living things. If he is a devil, I will accompany him to turn the tables!"

"Of course, I will not do anything that harms the heavens. I am a very kind person, you know that!"

Meng Yanshou: "..."

Although it felt that the last sentence was hypocritical, it had to admit that the little girl's previous words still shocked it.

There was such a casual woman in the world? Ignoring the other party's status and status, only loving him? Wuwu, as an ashes-level single beast, it really wanted to have such a wife!

"Curly hair, you haven't told me yet. Have you seen the face of the Lord?" Hei Xinjiu urged Sheng Zun.

Meng Yanshou shook its head like a rattle-drum. “I haven’t seen him! “Not only have I not seen him, few people have. “Well, can you stop asking about him? “I’m hungry. Give me a few more pieces of that whatever-it-is cake. It’s the most delicious cake I’ve ever eaten.”

“Get lost! You Foodie!”

..

The conversation between the man and the Beast was clearly heard by Sheng Zun through his spiritual sense. Sheng Zun was stunned for a long time. Then, he slowly curled his lips and withdrew his spiritual sense.

The next morning, before Hei Xinjiu woke up, she heard Sheng Zun’s cold voice from outside, “If you don’t come out in fifteen minutes, I’ll leave on my own.”

After hearing Sheng Zun’s words, Hei Xinjiu jumped up from the bed in fear, “I’ll be right there! I’ll be right there!”

Sheng Zun cursed in his heart, this lunatic! Why didn’t he tell her at dinner yesterday? He must have done it on purpose!

Hei Xinjiu ran out of the house, "Sheng Zun, where are we going? Are We coming back?"
