

The Yun Family's Ninth Child is an Imp! Chapter 3018

"Alright, don't worry, I promise not to miss a single book!" Hei Xinjiu smiled like a flower as she ran in the direction that Sheng Zun was pointing at.

Sheng Zun looked at Hei Xinjiu's back, which was as happy as a rabbit. The corners of his mouth curled up as he continued to read the book in his hand.

Hei Xinjiu was like a little mouse that had fallen into a rice vat. She felt like she was about to faint from the sudden happiness!

There were many storybooks that she liked. This guy kept collecting them into his storage ring. He had already thought of a countermeasure.

If the Lord asked her to destroy them, she would destroy the storybooks in the storage ring. Anyway, that lunatic wouldn't read them carefully. She was too smart!

After collecting the story-telling book, Hei Xinjiu hid behind a bookshelf and started to read it happily..

In the evening, after they left the library, Hei Xinjiu was worried that the Lord would mention the story-telling book. After all, she couldn't bear to destroy the story-telling book that she had collected before.

However, the Lord seemed to have forgotten about it and didn't mention it. Instead, he said, "We will leave the Royal Palace of Yan Clan Tomorrow. You should make some preparations."

Hei Xinjiu nodded hurriedly and ran back to her room, afraid that the Lord would mention Sheng Zun's story book.

The next day, after breakfast, the Lord summoned his sword and soared into the sky.

Hei xinjiu blinked her eyes and said, "Buttface, ride your sword and fly with me!"

Buttface asked in confusion, "Little Fairy, don't you have a chopping board?"

"Why are you talking so much nonsense? ! Hurry up! Otherwise, we won't be able to catch up." Hei Xinjiu wasn't sure what the Lord meant, so she thought it was better not to expose her identity.

Hei Xinjiu could ride her sword by herself, but this guy was used to sitting on a chopping board. His sword-riding skills were terrible, and he was lazy!

Buttface had to call out his sword, and then he flew into the air with Hei Xinjiu, chasing after the Lord in front of Sheng Zun.

Sheng Zun turned around and saw Buttface and Hei Xinjiu on the flying sword. He frowned and his face darkened.

Buttface and Hei Xinjiu, who were whispering to each other, suddenly felt the flying sword tremble violently and fall to the ground.

Many onlookers gathered below Sheng Zun, who was flying on the flying sword with an infatuated look on their faces. They didn't expect that the flying sword behind Sheng Zun would fall to the ground. They were all shocked!

"Aiyo! What the hell are those two at the back? Why did they fall from the Sky?"

"Isn't it simple? ! They must have been convinced by Sheng Zun's charm, so they forgot how to ride a sword."

"Those two are really stupid! This is the first time I've seen someone fall from a flying sword!"

..

Hei xinjiu, who was bitten by a dog, gnashed her teeth in anger!

She didn't believe that buttface could have an accident while riding a sword. It must be the work of that Crazy Sheng Zun! Although he didn't fall, it was too damn embarrassing!

Crazy, just you wait! It's never too late for Little Jiu to take revenge! We'll see!

Buttface wanted to cry, but he had no tears. He was too ashamed to see anyone fall from a flying sword!

However, the two of them did not have the time to be sad because the lord was almost gone. If they did not catch up, they would be left behind by Sheng Zun.

Therefore, buttface once again rode his sword and quickly chased after Sheng Zun.

Hei xinjiu stared at Sheng Zun's back and cursed non-stop. Of course, Sheng Zun did not make a sound.

While he was cursing, he realized that his body had moved from Buttface's flying sword to Sheng Zun's flying sword.

This Guy's heart sank. could he have been discovered?
