

The Yun Family's Ninth Child is an Imp! Chapter 3040

Tun Tianhu was struck dumb!

What did it do wrong? Was it struck by lightning for no reason? Could it really be like what that little human girl said, because it wasted its fate with the Bull Lion Beast?

The Bull Lion Beast's eyes immediately lit up! Heavens! Could it be that it and the tigress were really fated? Although this tigress was fierce, she was good-looking, so it was not unacceptable. Moreover, if the two of them got together, wouldn't their territory expand? It was really a good thing to kill two birds with one stone.

Hei Xinjiu was also quite dumbfounded!

She originally thought that the crow's mouth skill was her imagination, but she did not expect it to reappear in the martial arts world? It was just that this skill was sometimes effective and sometimes not. It was really a flaw in the beauty.

For a moment, the scene was silent..

Hei Xinjiu was the first to regain her senses. She smiled and said, "Miss Hu, did you see it? You and Daniel are fated to be together. If you don't pretend to be together on another day, you can get married today!"

One Bow to heaven and earth, two bows to the high hall, the ceremony is complete! "You are now a legal couple. In the future, you must respect and love each other. Do You Hear Me?"

Tun Tianhu and the Bull Lion Beast were dumbfounded. What was that? You touched your upper and lower lips and kissed them, and they became husband and wife?

Tun Tianhu roared angrily. It did not believe in this damn fate! It did not want to marry that stupid stupid bull! And this human little girl must be playing with it. It must eat her today!

Tun Tianhu suddenly leaped forward and went straight for the Bull Lion Beast's neck.

The Bull Lion Beast jumped up in fright and started running!

It said that the female tiger was not to be trifled with, but the little girl refused to believe it and insisted on being a matchmaker. This was great. The female tiger was completely enraged. It was going to die!

Hei Xinjiu narrowed her eyes, she was definitely going to be the matchmaker today! This fellow shook his hand and released several piglets with spiritual power.

Although the Tun Tianhu was a little surprised, it did not think much in its rage. It used its tail and claws to slap the piglets with spiritual power.

Then, da Hua appeared lazily!

The Tun Tianhu retreated in shock, how could there be such a big spiritual pig? And it was purple in color?

Seeing da Hua appear, the Bull Lion Beast finally had some confidence.

Yun chujiu carried di beiming and jumped off the Bull Lion Beast's back. She said with a smile, "Da Niu, now is the time to show off your arrogance! Go! I have high hopes for you!"

The Bull Lion Beast had been holding back its anger for a long time, but it could not beat the heaven-swallowing tiger. Now with Da Hua's help, it suddenly had confidence. It roared and rushed towards the heaven-swallowing tiger.

Although Tun Tianhu's spiritual power was higher than that of the Bull Lion Beast, there was still da Hua who was causing trouble. Moreover, da Hua had fully grasped the essence of Hei Xinjiu and specifically attacked Tun Tianhu.

Soon, Tun Tianhu lost its ability to resist and was pinned to the ground by the Bull Lion Beast.

As long as the Bull Lion Beast used its horn, it could pierce through Tun Tianhu's throat, but it hesitated! The little girl was right. It had been with this female tiger for a long time and could be considered a childhood friend. It really could not bear to kill it just like that.

Although this tigress was a little fierce and would occasionally chase after her to eat her, she didn't eat her after all, did she? ! It wouldn't be bad if she gave birth to a litter of little tigers..

Hei Xinjiu was very shrewd. First, she established a temporary contract with Tun Tianhu, then, she said, "ER hu, look at how tenacious Daniel is. He could have killed you but didn't do it. What does this mean? It means that he loves you deeply!"
