

The Yun Family's Ninth Child is an Imp! Chapter 3052

The monk was dumbfounded. It was impossible!

The Buddha Light Golden Lotus array was a rare array that could attack one's spiritual sense. How could this stupid girl be completely fine? How, How was this possible?

While the monk was in a daze, hei xinjiu had already chopped more than ten lotus flowers. Unfortunately, there were very few lotus flowers near the shore. If she wanted to continue chopping, she could only go down into the lake.

"Hey, Monk, you've seen it yourself. Your Formation is useless against me. If you don't move aside, I'll pull out all the lotus flowers here!" Hei Xinjiu said arrogantly with a large kitchen knife in her hand.

The monk was so angry that he gritted his teeth. After withdrawing the Buddhist light golden lotus formation, he leaped up from the lotus seat and struck Hei Xinjiu with his palm.

After dodging the attack, Hei Xinjiu jumped into the lake with a splash and darted between the lotus flowers like a small fish. "Hey, go ahead! The lotus flowers will be dead after you hit them! I don't care."

The monk was so angry that he almost fainted! This stinky girl was too mean!

A glint flashed across the Monk's eyes. Since he had no way to deal with this stinky girl, he would take the man as a hostage. He was not afraid that the stinky girl would not give in.

Therefore, the monk leaped toward di beiming.

Seeing this, hei xinjiu quickly shouted, "Little bastard, Turtle Shell!"

The little bastard quickly summoned the turtle shell and protected di beiming and the other dumb cuties inside.

The monk slapped the turtle shell. The turtle shell... Well, nothing happened!

Just as the monk was about to continue attacking the turtle shell, he heard yun chujiu shout, "Aiyo, the lotus roots of the thousand-leaf golden-grade lotus are quite delicious!"

The monk said in exasperation, "You, you, you put it down! That's a Buddha Lotus, not some thousand-leaf golden-grade Lotus!"

Yun chujiu curled her lips. What Buddha Lotus? It was clearly a thousand-leaf golden-grade lotus! Did he think she was an idiot?

"Hey, Monk, the current situation is that you can't do anything to us, so how about we reconcile? "I'm not greedy, I'll just get some lotus flowers and Lotus roots. "Then, we'll leave this fallen God Abyss, and you'll have peace."

Monk was so angry that he turned completely black, but he couldn't do anything to the slippery Hei Xinjiu, he gritted his teeth. "You've already cut down a lot of lotus flowers, stop right now! You guys can leave through the tunnel at the bottom of the lake now!"

"Okay! Little Bastard, bring the turtle shell into the lake," Yun Chujiu said with a smile.

The monk always felt that Hei Xinjiu's smile was a bit treacherous, and he had a bad premonition in his heart.

Soon, the little bastard rolled into the lake with the turtle shell.

Yun chujia picked up the big kitchen knife and continued to cut the lotus flowers.

“...”the monk

Didn't she say that she wouldn't continue to cut the lotus flowers? Where was the most basic honesty between people?

“Monk, I'm doing this for your own good. It's obvious that you've started to demonize. In order to release you, I need to get more lotus flowers. When the time comes, I'll refine more pills to help you build a good relationship. You Don't have to be too grateful to me. Of course, it's fine if you give me more lotus roots.”

“You — you're talking nonsense! I'll slap you to death!”

The monk had never seen such a scoundrel before. He was so angry that he couldn't care less about whether the lotus flowers would be damaged or not. He slapped Hei Xinjiu.

However, Hei Xinjiu suddenly crawled into the turtle shell and said with a smile, “Alright, Alright. I Won't chop you anymore. Let's go to the center of the lake and find a passage!

Master, I advise you to put down the butcher's knife and become a Buddha immediately! “Your obsession is also resentment. You will definitely become a devil in the long run. You should take care of yourself!”
