

## The Yun Family's Ninth Child is an Imp! Chapter 3063

Soon, the sound of footsteps could be heard from outside. The door of the main hall was pushed open.

“Smash This statue!” A cold and angry voice said.

Hei Xinjiu's heart sank. It was really a narrow road for enemies. It was actually Ao Ji, that Bullsh \* t crown prince! Could it be that he had already helped his father regain the power of the Yan Clan?

Hei Xinjiu had a few thoughts in her mind. The jade token given to her by di beiming could not be used unless it was at a critical moment. It would be best if she could think of a way to fool him.

Just as he was thinking of a way, someone stopped him. “Your Highness, this is the statue of the Holy Beast. You Can't Smash It!”

“That's right, your highness. Although the round platform has been destroyed, the statue of the Holy Beast can not be destroyed! Who knows, the Holy Beast might come back one day.”

Ao Ji snorted coldly. “What Holy Beast? ! It spread rumors and caused internal strife in our nightmare race, causing many people of our nightmare race to lose their lives because of it! Smash it!”

The people around could not stop him, so they had no choice but to have their subordinates smash the statue of the Meng Yanshou.

Hei Xinjiu knew that she would be exposed sooner or later. While those people were smashing the statue, she made her face waxen, drew a random eight-shaped eyebrow, and made a big red lip. After adjusting the level of her spiritual power to the eighth level of the Ling Xuan realm, she lay on the ground, she pretended to be dead.

Very soon, someone discovered Hei Xinjiu.

That person cried out in fear, "Ghost! Ghost! There's a Ghost!"

Those Yan clansmen were already somewhat fearful of smashing the holy beast statue. Hearing that person's shout, they immediately went into chaos!

"Shut up! What's Going On?" Ao Ji shouted sternly.

The guard who first discovered Yun Chujiu said with a trembling voice, "Your highness, there, there's a female ghost."

Ao Ji frowned. He did not believe that there was a female ghost here. Before he walked over, a little girl walked out from behind the curtain.

She had a sallow face, eight-shaped eyebrows, and big red lips. She was really like a ghost.

"Greetings, Your Highness." Hei xinjiu bowed to Ao ji.

Ao Ji frowned. "Who are you? Why are you hiding in the sacrificial temple? What are your intentions? !"

Hearing Ao Ji's words, the guards immediately surrounded Hei Xinjiu. It turned out that she was not a ghost, but an ugly little girl.

Yun chujiu bit her lips and said shyly, "Your Highness, I have always admired you. It's just that I haven't had the chance to express my love to you."

Ao Ji almost vomited!

This was the first time he felt that being liked by others was so, so disgusting!

The faces of the guards and ministers were also stiff. This ugly freak was really, really overestimating herself! With her appearance, she still dared to like His Highness the Crown Prince? She didn't even look in the mirror!

Their nightmare race had always been a handsome man and a beautiful woman. It was the first time in their lives that they had seen such an ugly woman.

Ao Ji held back his nausea and asked, "I asked you why you were in the Divine Hall. Don't try to reason with him. Tell me, why are you here?"

Hei Xinjiu's sallow face blushed. "Your Highness, it's because... it's because I admire you. "So, when I heard that this damn holy beast slandered you, I wanted to come over and scold it. "I didn't think that I would meet you before I had the chance to scold it. This is really fate."

Hei Xinjiu even gave Ao ji a coquettish look when she said this. Of course, in the eyes of others, this fellow was just rolling his eyes.

Ao Ji frowned. He didn't doubt it too much. Ever since the infighting within the nightmare clan, the guards of the nightmare ancestor's land had become useless. That was why this ugly freak had the chance to enter the nightmare ancestor's land.
