

The Yun Family's Ninth Child is an Imp! Chapter 3082

Hei xinjiu blinked her eyes and shouted, "Senior Brothers and sisters, are you going to watch me being bullied? What about your courage as the disciples of the heaven-killing sect? Don't Make Me Look Down on you!"

The servants and disciples of the heaven-killing sect had been very dissatisfied with Wen Qianchuan and the rest of them recently. Together with Hei Xinjiu's instigation, they were all in an uproar!

"Yes, beat him up! Damn it, our sky killing sect was originally fine, but they just had to come and cause trouble!"

"That's right. Yun Chujiu, a small odd-job worker, is not even afraid of him. What are we afraid of!"

"It's a waste not to beat him up. Let's beat him up together!"

..

Wen Qianchuan did not come alone. He had also brought seven or eight disciples. But how could he be a match for so many people? In an instant, he was beaten black and blue. Even qu Shanshan was implicated and was beaten up a few times.

Seeing this, Wen Qianchuan flew into a rage out of humiliation. He immediately released his own spiritual beast, a huge spiritual tiger and two huge spiritual wolves.

The three huge spiritual beasts instantly intimidated the odd-job workers and outer sect disciples of the Shi Yuan sect.

Everyone was so scared that they retreated one after another. Only then did they remember that this Wen Qianchuan was said to be at the fourth layer of the spiritual space realm. Although they had more people, they were still not his match!

Wen Qianchuan looked at Yun chujiu coldly and said, "Stupid girl, you are good at bewitching people, but in the face of absolute strength, your little tricks are useless. Die!"

Seeing that the situation was not good, the people of the Shi Yuan sect hurriedly shouted at Yun chujiu, "Yun Chujiu, don't be stupid! Run quickly!"

"Yes, run quickly! If you don't run, you will die! Go find Master Xiahou quickly!"

..

The corner of Yun Chujiu's mouth curled up slightly, and she said with curved brows and eyes, "Why are you running? ! Isn't it just a silly cat and two broken dogs? If My Spirit Beast is released, it will definitely scare them to death."

Everyone:"..."

Don't you even recognize Tigers and wolves? Moreover, there is a limit to your bragging, okay? Let's not talk about what your spirit beast is, how can a spirit beast at the sixth level of the Lingxuan realm compare to a spirit beast at the fourth level of the Lingkong realm?

This Yun chujiu was usually quite smart, but why was she so confused today? Could it be that she had become a hero of the human race and got carried away?

Just when everyone was puzzled, they saw Hei Xinjiu raise her hand, and with a whoosh, a cute spiritual piglet jumped out.

Everyone was stunned! Pig, Piglet? Are you playing?

Just as everyone was thinking, twenty cute little piggy with spiritual power jumped out.

Could it be that Yun chujiu wanted to win with numbers?

Stop fooling around!

Such a weak spiritual beast, not to mention twenty, even two hundred would be a waste!

Wen Qianchuan snorted, “Yun Chujiu, do you think you can win against my spiritual beast with these little piggies?”

Yun chujiu nodded solemnly, “Yes, I will show you my invincible Little Piggies Today!”

Both Wen Qianchuan and the people of the Shi Yuan sect thought that Hei Xinjiu must have lost her mind. It would be a miracle if these little piggies could win!

Wen Qianchuan snorted, “You really won’t shed tears until you see the coffin. Prepare to die!”

Wen Qianchuan waved his hand and three spiritual beasts pounced towards Hei Xinjiu.

The people of the murderous Yuan sect could not bear to watch. There was no need to guess the result. Yun Chujiu was dead for sure! Those piglets of spiritual power could not even hold on for more than ten breaths, let alone defeat those three spiritual beasts.
