

## The Yun Family's Ninth Child is an Imp! Chapter 3092

After Hei Xinjiu put the medicine into her mouth, she felt that the taste was somewhat different from the transfiguration pill given to her by the old man of the Heaven Lake.

This fellow did not think too much about it. It was probably because she had refined a heaven-grade pill, so the taste was different.

After this fellow finished eating, he took out a mirror to take a look, but he did not find any changes in his appearance.

Hei xinjiu frowned. Was it because she had eaten too little? That was not right. Logically speaking, the higher the quality, the more effective it should be?

Forget it. She could not go out now anyway. Even if she ate the whole pill, it should not be a big deal. Therefore, he put the rest of the pills into his mouth.

A moment later, a world-shaking howl was heard from the dead silence. "F \* ck! Can someone tell me what is going on? !"

Hei Xinjiu looked at her small arms and legs and felt like dying!

Why did she look like she was only three or four years old?

How was this a transformation pill? It was like a rejuvenation pill!

Hei Xinjiu then remembered that the monk had said that these were Buddha lotuses and not thousand-leaf golden-grade lotuses. She had not taken it to heart at that time. Could it be that they were not thousand-leaf golden-grade lotuses?

Hei Xinjiu quickly took out a lotus flower and looked at it carefully. Only then did she realize that she had really made a mistake! Although the lotus veins of thousand-leaf golden-grade lotuses were also golden in color, they were slightly red, and the one she held in her hand was completely golden in color!

Hei xinjiu felt her head buzzing. Damn it, it was already quite miserable. She had not been able to come to Kui shui all this while and had no way to have sex with the gigolo. But now, she had directly turned into a three or four-year-old.., how could she give birth to a hairline monkey? She had turned into a monkey!

Hei Xinjiu quickly looked for guai Cao to help her while she was on the verge of a breakdown. She didn't want to be a little one all the time.

Hei Xinjiu communicated with Guai Cao. Guai Cao helplessly expressed that it had never seen such a situation before, so it was also helpless. It could only seek its own fortune!

Hei Xinjiu was so angry that she almost vomited blood!

This fellow deceived himself and comforted himself. The effect of the disguise pill was only ten days. After ten days, she would be able to return to normal. Yes, that must be the case.

At this moment, the second batch of pills had been refined. Hei Xinjiu was in no mood to continue refining pills. She tidied up randomly and sat on the ground in a daze.

The small figure was particularly sorrowful. Guai Cao shook its leaves. It was rare for it to have a conscience. It expressed that it would feed it a few 'disguise pills' and then study them again.

Hei Xinjiu quickly took out a few 'disguise pills' and swallowed them. After guai Cao finished chewing the pills, it felt that the taste was quite good! It didn't expect that the little girl of Hei Xinjiu's was a self-taught genius!

Hei Xinjiu:” ...”she really wanted to make this damn dog tail into a specimen!

Guai Cao said in the end that it wanted to ponder over it, so hei xinjiu could only do this for now!

Hei Xinjiu suddenly stood up and tested her spiritual power. Fortunately, her spiritual power was still at the eighth layer of the spiritual void tier. If her spiritual power also shrank, she would really hit a wall.

Hei Xinjiu was not in a hurry to go out now. It would be a tragedy if she went out anyway. She might as well wait here for ten days, and she might recover.

Just when Hei Xinjiu was about to give up, she heard a snicker. She turned around and was about to find out who was snickering when a white light flashed in front of her eyes..

“Oh my God! Where did this girl come from?”

“She’s So Pretty. Could she be some Demon Beast Spirit?”

“Eh? Isn’t she wearing the sect uniform of our killing Yuan sect? Could she be the illegitimate daughter of some senior brother?”

..
