

The Yun Family's Ninth Child is an Imp! Chapter 3132

An Linchuan moved to Yun chujiu's side and tugged at her. He said in a low voice, "Junior sister Xiao Jiu, stop fooling around! If this matter is blown up, there will be no way to end it."

Yun chujiu glanced at him. "19th generation grand disciple, get lost!"

An Linchuan:" ..."

This guy must have possessed some acting talent, right? 19th generation grand-disciple? She had a pretty good calculation!

Master Baili and Master Xiahou stared at the ring on Yun Chujiu's hand and turned pale with fright! Although they had never seen the sect leader's ring, they had seen the design of the sect leader's ring. This, this was exactly the same as what was recorded in the sect's annals!

Yun chujiu handed the ring to the two of them generously. "Little Xia Hou, Little Bai Li, take a look for yourself and see if this is the sect leader's ring!"

Sigh! If I had to say, it was my two masters who had a brilliant plan! This time, I was accidentally tricked by a treacherous person. After my two masters saved me, they told me that I must promote the harmonious coexistence between the two sects!

They were originally brothers, but they fought for such a long time because of a moment of anger. They were simply too stupid!

They even taught me the songs that they had composed together. I'll Sing It for you to listen to. The Rolling Yangtze River flows eastward, and the waves wash away the heroes. Right and wrong, success or failure, the Green Mountains are still there, and a few sunsets are red..."

Although everyone thought that Yun chujiu sounded like she was speaking the truth, and her singing sounded very serious, but how was this possible? Would the two patriarchs really accept her as their last disciple?

Elder Gui Yi stared at the ring on Master Xiahou's hand. He snorted coldly. "Yun Chujiu! None of us here have seen the sect master's ring. How can we prove that the ring you took out is real?"

Maybe you copied it according to the records in the sect's annals! And that song was weird. Maybe you made it up."

"Made it up? I met two masters on Mount Budian! It's a pity that my two masters have seen through the mortal world and refused to come out with me no matter what. Otherwise, why would I let you, a bastard, jump around here? I would have killed you long ago!

"However, my two masters have opened my eight extraordinary meridians and 720 acupoints in my body. I am now at the first level of the spiritual void tier! "Take a look if you don't believe me!"

Everyone saw that the level of the spiritual energy in Hei Xinjiu's body soared rapidly. Very soon, she had changed from the sixth level of the spiritual profound tier to the first level of the spiritual void tier. Everyone was in an uproar!

"My God! Yun chujiu is most likely telling the truth! Otherwise, how could a person's spiritual energy have improved so much in just a few days?"

"That's right, in the entire world, only Patriarch Yuan Tian and Patriarch Hongyuan have such abilities!"

"Previously, that Yun Chujiu went missing for so many days, perhaps she really fell into the secret realm of the Bu Dian Mountain! It is said that the two patriarchs did indeed enter the Bu Dian Mountain in the end."

..

Master Baili and Master Xiahou also believed seventy percent of it. They felt that although Yun chujiu was not interesting, she still did not have the courage to tell such a big lie.

Elder Gui Yi's face was gloomy. "A sudden increase in spiritual power might not be a fortuitous encounter. I heard that the Divine Devil Hall has a pill that can allow people to increase their spiritual power in a short period of time. Could it be that you have been missing for so many days, but in fact, you have joined the Divine Devil Hall?"

Just as elder Gui Yi finished speaking, some people started to jeer, saying that Yun Chujiu was lying, that she was from the Divine Devil Hall and so on.

"Are you out of your mind? Even if you want to frame me, you have to find a more reliable reason! Your Divine Devil Hall can't wait to burn my bones and scatter my ashes. How can you bribe me?"

"I'm too lazy to waste my time with you. Aren't you just trying to stall for time so that your divine Devil Hall can take over the chaos origin sect and the murder origin sect? "Fortunately, my divine plan has already brought a witness. Well, to be exact, it's evidence." Yun chujiu raised her chin and said proudly.
