

The Yun Family's Ninth Child is an Imp! Chapter 3151

Xue Wuji could not bear to see Yun chujiu like this, however, he continued, "Also, not only did he help you find the pill, he also killed the Yun family who wanted to capture you in the immortal Yuan continent. That's why his old illness acted up earlier.

"However, Little Sister Jiu, you don't have to be too sad. Your facial paralysis is only sealed, not dead. "The reason why we came to this bottomless ice abyss is because he knows that he is about to be sealed, and this is the most suitable place."

"Then how can he break the seal?" Yun Chujiu's eyes lit up as she asked anxiously.

Xue Wuji touched his nose. "The facial paralysis said that it will depend on his recovery. It will take at least one to three years, but he will definitely be fine. "This is ten-thousand-year-old ice. Only your kitchen knife can cut through it. Moreover, an Feng and I are guarding here."

Yun chujiu turned her head to look at di beiming, who was frozen in ice. The pain from the bottom of her heart spread to her entire body, and she could barely stand. At the same time, she also felt regret for her laziness, but more than that, she was angry at the Yun family!

The Yun family had captured her mother and wanted to capture her. What were they trying to do? ! What was the point of having such a family member ? ! Why not just kill her!

Yun Chujiu's long hair that was draped over her back suddenly fluttered in the wind. Her eyes were filled with purple lightning, and her entire person was filled with a cold murderous aura.

Xue Wuji and an Feng were startled by the murderous aura around Yun Chujiu, and they took a few steps back. The two of them looked at each other. What... What was going on? Was she possessed?

While the two of them were at a loss, the murderous aura around Yun chujiu suddenly dissipated. Her body swayed and she finally fainted on the ground.

When Yun Chujiu woke up again, it was already the next morning.

She lied to herself and thought that it was just a nightmare. In fact, she was still in the primordial chaos sect and her gigolo was fine. However, when she saw di beiming inside the ice wall, tears rolled down her face. So, this was reality.., even if it was cruel, she could only accept the reality.

Xue Wuji looked at Yun chujiu worriedly and said, "Little Sister Jiu, are you hungry? Eat Breakfast!"

Xue Wuji thought that Yun Chujiu would definitely reject him. She would be sad and dispirited for a period of time without eating or drinking. Unexpectedly, Yun chujiu nodded and ate breakfast with the two of them.

Xue Wuji saw that Yun Chujiu was clearly unable to eat, yet she still stuffed it into her mouth. His nose was slightly sore, and he sighed in his heart and did not say anything.

After breakfast, yun chujiu asked calmly, "Is there anything else you want to tell me? What else did the Prince Charming say?"

"That facial paralysis did not say much. He just told you to cultivate properly. Unless your spiritual power level has reached the eighth level of the spiritual space realm, do not go to towering sky continent. "He has already intimidated the Yun family, so he won't come to find trouble with you for a while."

Yun chujiu nodded. "I'll remember it."

Xue Wuji would rather see Yun Chujiu cry to her heart's content. It was obviously not normal to be so calm. He recalled Yun Chujiu's previous appearance and was very worried.

“Little Sister Jiu, I understand your feelings. “The reason why I told you all the things that facial paralysis did was to let you know that he has done so much for you. You must not let his painstaking efforts go to waste. You must not be impulsive and go to Atlas Continent.”

“Brother Wu Ji, don’t worry! I know what I should do. No matter what happens, I will cherish this little life of mine because there are still many things waiting for me to do.”Yun Chujiu’s expression was neither sad nor happy, she said each word with a pause.
