

## The Yun Family's Ninth Child is an Imp! Chapter 318

The people of the Heavenly Gates Sect staggered when they heard Yun Chujiu's words. It was too infuriating!

'Yun Chujiu, our Heavenly Gates Sect is not done with you!'

Yun Chujiu sighed at the people of Spirit Radiance Sect. "Sigh... Everyone, I've been worried to death for our sect! The Heavenly Gates Sect must hate me to the bone this time. I'm doing this for our sect. If they gang up on me, you must help me!"

Everyone did not know what to say.

'You'd sound more sincere if you distributed the two million Spirit Stones you pocketed to everyone.'

However, after this incident, Yun Chujiu's image among these new disciples had completely changed!

In the Azure Mystic Continent, the strong were respected. No matter how Yun Chujiu obtained that Tier Eight demonic beast inner core, it was she who won back Spirit Radiance Sect's honor! Therefore, Yun Chujiu was the hero of Spirit Radiance Sect!

Yun Chujiu played with the treasures for a while, then she giggled at the elders and said implicitly, "Elders, this time, I'm number one! You know it!"

The elders were stunned at first, then came to from the surprise counterattack just now.

Heavens, they almost forgot about that!

Not only did Yun Chujiu enter the top ten, but she also clenched the well-deserved first place. Did that not mean that they had to acknowledge her identity as Little Ancestor Yun? They were going to have another Little Ancestor!

All the elders' faces immediately twitched. Even if they had thousands of reasons, it was still very sullen to let this young girl be their elder, okay?!

Therefore, on the way back to the sect, all the elders were unhappy and full of worries.

The disciples of Spirit Radiance Sect were originally laughing happily, but when they saw the elders, they did not dare to laugh loudly anymore. They were very puzzled. They had clearly won, so why were all the elders suddenly unhappy? It was really strange!

After the airship arrived at the Spirit Radiance Sect, these elders flew straight to the meeting hall as if they were being chased by wolves.

Master Xuanyuan had already received the news and led the elders to wait in the meeting hall.

"Elder Xiao, Elder Qu, why are you back in less than a month? Did something happen?" Master Xuanyuan could not help but ask worriedly when he saw the gloomy expressions on the elders' faces.

Elder Qu sighed. "Something did happen! I don't know if the ancient mystic realm self-destructed or why it disappeared!"

"What? How is this possible? The ancient mystery dimension has existed for tens of thousands of years. How could it disappear for no reason?!" Master Xuanyuan and the others were shocked.

Elder Qu curled his lips. "Who knows? It just disappeared! That Heavenly Gates Sect actually brought their new disciples to participate in the trial at the same time and even made a bet with us. Those who had less points will be considered to have lost!"

Master Xuanyuan and everyone immediately understood. It seemed that Spirit Radiance Sect's points were low, which was why Elder Qu and the others were so depressed.

Master Xuanyuan consoled. "Victory and defeat are common occurrences in war! You don't have to mind it so much! So be it if you lose!"

Elder Qu's face was full of confusion. "Lose? Who said our sect lost? We won! We even surpassed Heavenly gates Sect by eight million points!"

This time, it was Master Xuanyuan and the others who were dumbfounded!

'Eight million points?

'What kind of joke was this!

'How was this possible?!'

"Elder Qu, could it be that you're joking? Eight million points... How is this possible?" Master Xuanyuan's face darkened slightly. This Elder Qu was really too ridiculous. He's almost on par with that little girl, Yun Chujiu.'

Elder Qu was also anxious. "Who's joking?! Yun Chujiu obtained a Tier Eight single-horned demon lizard's inner core in the mystic realm! She instantly obtained ten million points!"

Master Xuanyuan and the others were instantly petrified!

Yun Chujiu? Who was on the fourth level of Spirit Enhancement? She killed a Tier Eight demonic beast?

'Is it because we're inexperienced, or is this little girl too heaven-defying?

'This is too unbelievable!'
