

## The Yun Family's Ninth Child is an Imp! Chapter 3228

Zheng Shi wished she could put the bowl of soup in the middle of the table into her storage ring, but she had no excuse. If she forcefully put it away, it would inevitably arouse the suspicion of old farts.

While Zheng Shi was deep in thought, hei xinjiu had already filled two more bowls of soup and placed them in front of Zheng Shi and the old princess.

Zheng Shi was about to repeat the same trick when she heard Hei Xinjiu say with a smile, "First aunt, you have to sit still this time and don't fall again. Otherwise, I'll think that you deliberately don't want grandmother to drink the soup that I sent!"

Zheng Shi gnashed her teeth in hatred and said with a stiff face, "Little Jiu, what are you talking about? I just didn't sit still just now."

Hei Xinjiu smiled indifferently. Then, she stirred her bowl of soup with a spoon and took a deep breath. "This soup smells so good!"

The old princess said with a smile, "Is it that good? Let me try it."

The old princess scooped a spoonful of soup with a spoon and was ready to put it into her mouth. Zheng Shi had no choice but to lean to the side again. Not only did she knock off the spoon in the old princess' hand, but she also knocked the two bowls of soup onto the ground.

Granny Sun quickly went forward and helped Zheng Shi up, hei xinjiu said casually, "First aunt, didn't I tell you to be careful just now? Why did you fall again? Is there something wrong with your body? You'd better go back and see the imperial physician!"

The old princess also echoed, "Yes, sir. I see that you don't look well today. It's better to go back and see the imperial physician quickly!"

Zheng Shi gritted her teeth and said with a stiff face, "Mother, I think this pork ribs and winter melon soup is not bad. I brought it back to drink."

Zheng Shi put the bowl of soup into her storage ring as she spoke. She was too ashamed to look at the old princess' expression and hurriedly walked out.

Before Zheng Shi walked out, she heard Hei Xinjiu's smiling voice. "Grandmother, I told you that I was smart. I was afraid that the soup was too good to drink, so when I came here, I went to the big kitchen.

"I received the bowl from the back of the big kitchen. I also have a bowl of Xi hua flower collar here. "Since that bowl was taken away by first aunt, let's drink this bowl!"

Zheng Shi's head was buzzing. No wonder this B \* Tch came later than her. It turned out that she went to the big kitchen and got another bowl of soup. Didn't that mean that the bowl on the table was poisonous?

Zheng Shi hurriedly turned around and saw the old princess picking up the spoon and was about to put a spoonful of soup into her mouth. She was so scared that she didn't care and directly slapped the old princess' wrist.

The old consort dodged slightly. Although she was fine, the spoon in her hand was swept to the ground by the wind.

The old consort immediately flew into a rage. "Zheng Shi, what are you going to do? ! Are you going to kill me?"

Zheng Shi's mind was blank now. Suddenly, a plan came to her mind, and she knelt down on the ground with a plop. "Mother, there's poison in that soup!"

The old princess had already guessed it. She asked with a gloomy face, "What do you mean? is little jiu going to poison me to Death?"

Hei Xinjiu looked innocent and aggrieved. "What? Aunt, you can't say that. Why would I poison grandmother to death?"

Zheng Shi gritted her teeth. "Mother, Little Jiu didn't poison her. It was her maid Xi Hua. Xi Hua, that lowly servant, was ordered by someone to poison little jiu.

"Coincidentally, my maid, Hong Yuan, saw her poisoning and came to report to me. I also heard that little nine gave you the soup, so I rushed over to stop her."
