

The Yun Family's Ninth Child is an Imp! Chapter 3233

Xi Hua and Xi Xue were confused. Sending soup to third madam? What did she mean?

Yun chujiu asked Xi Xue to stay behind to look after the courtyard. She brought Xi Hua out of the courtyard. As the old prince was still around, the Yun family did not split up. They all lived in King Yun's mansion.

However, each room was separated by a corner gate. There were people guarding each room to prevent some things from being unclear.

Yun Chujiu had just arrived at the corner door of the third room when a servant went to report to third madam he shi.

He Shi frowned. What was this little jiu doing here?

Although she was puzzled, since she was already here, she naturally could not refuse the door. She got someone to invite Yun Chujiu in.

After Hei Xinjiu bowed obediently, she said a few polite words and changed the topic. "Third aunt, I'm here to deliver Soup for you."

He Shi was confused. Bring Soup? What Soup?

Yun chujiu brought out a bowl of chicken soup with winter melon ribs, she smiled and said, "Third aunt, I originally wanted to bring you a bowl of chicken soup with bamboo sun, but first aunt said that there was something wrong with the bamboo sun inside, so I had no choice but to bring this bowl to you."

He shi subconsciously asked, "What's wrong with the bamboo sun?"

Yun chujiu suddenly covered her mouth, as if she felt that she had said too much. She said in a fluster, "No, there's no problem. I was just spouting nonsense."

He Shi naturally would not believe her. Her face darkened slightly. "Little Jiu, you know how third aunt usually treats you. Is it okay for you to lie to third Aunt Like This?"

A conflicted expression appeared on Yun Chujiu's face. She looked around. He Shi understood and ordered the servants to leave, leaving behind only a trustworthy nanny Zhou.

"Third aunt, sigh. Actually, I'm also quite conflicted in my heart. I don't know if I should tell you, but if I don't, I still feel that I've let you down. "However, if I tell you, please don't say that I told you." Yun chujiu tugged at the corner of her clothes and said uneasily.

When he Shi saw this, she became even more curious. "Little Jiu, just say it. Third aunt will definitely not betray you."

"Third aunt, the matter is like this. I felt that the soup today was not bad, so I brought a bowl for grandmother. I didn't expect that first aunt would rush over in a hurry and spill the soup I brought over. In the end, she even said that my maid, Xi Hua, had poisoned it.

This originally had nothing to do with you, third aunt, but when first aunt interrogated Xi Hua about the mastermind behind the curtain, she pointed three fingers at Xi Hua with her back facing us.

"Although, later on, it was proven that all of this was framed by eldest aunt's maid, Hong Yuan, I still feel that it's necessary to come and inform third aunt. After all, Hong Yuan has yet to reveal the mastermind behind the curtain of Flowers!"

He Shi was not a fool. She naturally understood Zheng Shi's intention of gestured three fingers. She was so angry that she gritted her teeth. Zheng Shi, this B * Tch! It was one thing for her to put on the airs of a princess in front of her, but she actually wanted to frame her. She really deserved to die!

Yun chujiu glanced at the hatred on the He Shi's face and felt quite pleased in her heart. The enemy of an enemy was a friend. She heard that Xi Hua and the He Shi's combat strength could not be underestimated. It would be best if she could add some trouble to Zheng Shi.

He Shi calmed her emotions and then said, "Little Jiu, third aunt thanks for your reminder. Third aunt owes you a favor this time. If you need my help in the future, just let me know."

He Shi naturally said this out of courtesy. Never in her wildest dreams would she have thought that Hei Xinjiu would show her white teeth. "Third aunt, I really do have something to ask for your help. Why do you think it's such a coincidence?!"

He Shi:"..."

Could she take back what she had just said? This was the first time she had seen such a smooth-sailing person.
