

## The Yun Family's Ninth Child is an Imp! Chapter 3238

Yun chujiu narrowed her eyes. She could tell that these nuns were not lying. It seemed that something else must have happened after her mother was locked in the cellar.

Did her mother escape by herself or was she rescued? Or was she taken away by someone?

Yun chujiu clenched her fists tightly under her sleeves. She was angry, blamed herself, and felt helpless. The mother and daughter were like fish on a chopping board. They could only be slaughtered by others. This feeling was terrible!

Zheng Shi, I will kill you sooner or later!

Yun chujiu carried a large kitchen knife and walked to the front of the nun with San Jiaoyan. She cut off her neck with the knife.

Ji Mama cried out in shock, "Ninth miss, you, what do you want to Do?"

Yun chujiu ignored her and walked to the other nuns with the kitchen knife. These nuns were restrained by King Yun's spiritual power and could not resist at all.

Seeing the murderous intent in Yun Chujiu's eyes, all of them kept begging for mercy. "Miss Jiu, please spare my life! Spare my life! This was all instigated by the princess. We were forced!"

"Forced? It was clearly you who tortured my mother for some benefits. Now that my mother is gone, what use is there for you to be alive? !"

Yun Chujiu said as she killed all the nuns one by one.

Ji Mama wanted to stop her, but was stopped by Lord Yun.

Lord Yun's eyes flashed with a strange light as he allowed Yun Chujiu to kill all the nuns.

Yun chujiu looked at Lord Yun with a sarcastic look. "Eldest uncle, I'll leave the rest to you. After all, you're so warm-hearted that you came all the way here to see my mother."

Yun chujiu now completely understood why her mother was locked up in the Yun family's nunnery hall. There was a high chance that Lord Yun coveted her mother, and that Zheng Shi made up some nonsense about her mother seducing Lord Yun, this infuriated the old princess consort.

Any family would naturally not tolerate such a scandal. That was why the old princess consort was so disgusted and disgusted with ye Lan.

This Duke Yun was coveting his sister-in-law. He was worse than a beast! What was he doing here? He must be up to no good. Perhaps he was planning to use her to coerce ye Lan into submission. He was simply shameless to the extreme!

Duke Yun stared at Yun chujiu with a gloomy expression. "Little girl, for the sake of your mother, I won't argue with you this time. If you still don't know what's good for you, Our Yun family won't have much more of you. We won't have much less of you. You better take care of yourself."

Yun chujiu curled the corners of her lips and glanced at King Yun with a faint smile. Then, she turned to the sweating ji MAMA and said, "Ji Mama, since my mother isn't here, let's Go!"

Ji Mama wished that she could leave this place as soon as possible. The killing intent between King Yun and Yun Chujiu was suffocating. She was really afraid that King Yun would kill Yun Chujiu in a fit of anger.

If Yun Chujiu was really killed by Lord Yun, perhaps he would kill her to silence her. Then she was really unlucky!

Ji Mama bowed to Lord Yun and followed Yun chujiu out of the cellar.

Ji Mama said carefully, "Ninth miss, since Madam Ye has gone missing, we'd better go back quickly. Otherwise, the old princess will be very worried about you."

Ji Mama's attitude was much more respectful than before, because she found that although this ninth young miss's spiritual power was low, the murderous aura around her now made people involuntarily fear her.

"Well, let's Go!" Yun chujiu walked out of the Yun family nunnery with determined steps.
