

The Yun Family's Ninth Child is an Imp! Chapter 3271

Chi Xiao was completely impressed by Hei Xinjiu's shamelessness!

She was the one who had stolen the Nirvana Pearl, and now she was calling thief, asking them to compensate her with the pearl and the broken shovel?

When the demonic beasts heard Yun Chujiu mention the Pearl, they immediately roared angrily. One of them, a single-horned flaming leopard, threw a broken stone in front of Chi Xiao.

Yun chujiu looked at the small round stone on the ground and was stunned for a moment. Then, she said loudly, "That's not right! What I threw to you was clearly a bright and colorful pearl. How did it become a broken stone now?"

You are also considered high-level demonic beasts. How could you do such a shameless thing? ! Give me back my pearl! Where's My Shovel?"

The demonic beasts were so angry that they almost vomited blood! It was clearly this broken stone, how could there be a pearl!

However, it was true. When the little girl threw it to them, it indeed looked like a pearl, and it could even melt such a thick shovel. It was obviously not an ordinary item, so how did it turn into a broken stone? It was really a ghost!

They did not know that Hei Xinjiu had deliberately wrapped the small stone with the flame produced by the ten-thousand-year-old fire marrow. It looked like it was flowing with light and vibrant colors!

In addition, the eyes of the demonic beasts were red at that time. They would not identify it carefully. They subconsciously thought that it was the nirvana pearl. There was another important point. No one had seen the nirvana pearl before, so they naturally took it seriously.

Hei Xinjiu saw that the demonic beasts hadn't moved for a long time, so she immediately snorted coldly, "Forget it! It's my fault for throwing the Pearl to you guys! I'm just unlucky!"

"Sigh, I wanted to leave as soon as possible, but there seemed to be a voice calling me. I didn't expect that the Phoenix Feather would be snatched away by you guys, and the Phoenix Egg would be eaten by you guys. Doesn't your conscience hurt? !

"Big Fatty, let's go. Let's go to the fire pit to take a look. There might be treasures inside."

The high-level demon beasts heard Yun Chujiu's words and were embarrassed. They made a path for Hei Xinjiu to ride over on Chi Xiao.

Hei xinjiu heaved a sigh of relief. No matter what, she had finally escaped from the encirclement. Even if the demon beasts could react, she would still have a chance to escape!

Chi Xiao was not that happy. Those idiots might not be able to react in time, but if they reacted in the future, this wretched girl would just leave. Wouldn't she be beaten to death? !

Yun chujiu rode Chi Xiao to the front of the Crown Prince and the others. She bared her little white teeth at them and said, "Have you seen my beads and shovel?"

The Crown Prince Glared at her fiercely. "Even if there is a nirvana bead, it is not yours! I saw that you have obtained quite a number of high-level herbs. Do you have any purple radish flowers in there? If you do, leave them to me."

Yun chujiu was so angry that she almost burst into laughter!

What was wrong with this Leng Tianche? Why should she leave her herbs to him? Did he really treat her as a dish?

Hei Xinjiu curled the corners of her lips. "How could it be so coincidental that there's not even a single thousand silky purple radish flower!"

The crown prince could not help but feel a little disappointed. He did not think that Yun Chujiu had the guts to lie to him.

Princess Xi Yue said softly from the side, "Ninth sister, you've just arrived at towering sky continent. How could you possibly know the herbs? "Since you don't know them, why did you say that there's not a single thousand silky purple radish flower among the herbs you've obtained? "Don't tell me you don't want to give it to His Highness the Crown Prince on Purpose?"

When the crown prince heard Princess Xi Yue say this, his expression instantly darkened. That's right, this Yun chujiu didn't know any herb at all. She definitely didn't want to give the herb to him!
