

The Yun Family's Ninth Child is an Imp! Chapter 3281

Xiao Heiniao, who was inside Hei Xinjiu's spiritual beast bag, jumped and cursed, "Shameless mongrel chicken! You're the one who's dead! Your whole family is dead! I just can't beat you, or else I'll kill you!"

Yun Chujiu:"..."

It sounded quite reasonable in the beginning, but in the end..

Hei Xinjiu glanced at the five-colored Phoenix. "Hey, Little B * Tch, are all five-colored phoenixes as shameless as you? And you call yourselves Divine Phoenixes? would divine phoenixes do such a shameless thing as possession?"

Little B * Tch?

The five-colored Phoenix was so angry that its anger almost dissipated. This B * Tch's words were really too sarcastic!

The five-colored Phoenix was so angry that it did not care about its words anymore, it said exasperatedly, "What happened to Divine Phoenixes? If you had been locked up here for tens of thousands of years, you would have also thought of ways to possess them! Black Phoenix and the others were so kind. What happened in the end? TSK TSK, all of them died! Haha, they always thought that they were more noble than other phoenixes. In the end, didn't they all die? !"

Xiao Heiniao couldn't take it anymore. "Master, let me out. I must scold it to death today!"

The corner of Yun Chujiu's eyes twitched. Looking at it, she wanted to see how it would scold the five-colored Phoenix to death.

Yun chujia let Xiao Heiniaoy out. However, to be on the safe side, she still activated the spiritual energy shield to prevent the five-colored Phoenix from suddenly attacking. It would be terrible if it took Xiao Heiniaoy's house!

"You Motley chicken! You're the one who's dead! Look at who I am!" Xiao Heiniaoy said arrogantly with one of its short wings on its waist and one of its short wings pointing at the five-colored Phoenix.

The five-colored Phoenix was stunned at first, then it could not help but take a few steps back. "You, you're the Black, Black Phoenix? No, that's impossible. How can the Black Phoenix be so fat and ugly?"

Xiao Heiniaoy was most afraid of others saying that he was too fat because he was ugly. He pointed at the five-colored phoenix and cursed, "You Coquettish B * Tch! You are the ugly one. You are so ugly that people can't bear to look at you!"

Pah! How could your five-colored Phoenix produce such a shameless B * Tch like you! You still want to possess me? You are so Shameless! If your five-colored Phoenix ancestors knew that you are so shameless, they would probably be so angry that all their feathers would fall off!"

The five-colored Phoenix was being scolded by Xiao Heiniaoy. It wanted to interrupt a few times, but it was rejected by Xiao Heiniaoy's high-pitched voice. In the end, it was so angry that it cried out.

"You, you, you don't have to stand there and talk! It turns out that you haven't been locked up here for tens of thousands of years. Besides, what did we five-colored Phoenix do wrong that we have to be locked up here by humans? This isn't fair!

"Moreover, the weak are prey to the strong, what's wrong with me? ! "You are the one who has embarrassed the Phoenix clan! "As the Black Phoenix of the Phoenix clan, you actually acknowledged a human as your master, you are simply a cheap bone!"

"You are the F * cking cheap one! Your whole family is cheap! What do you know? ! I signed an equal contract with her, and she treated me as a friend, and even helped me obtain two nirvana pearls.

HMPH, I get it. You're jealous that I have such a good master, aren't you? TSK TSK, you're really pitiful. You Act all mysterious all day long, and all you can do is cheat some fiery fruits to eat.

It perfectly explains a sentence in your body: A Phoenix in distress is not as good as a chicken. Aren't you just a motley chicken now? ! "Haha!" Xiao Heiniào laughed so hard that he leaned back and forth, and was very proud.

The five-colored Phoenix cried out a few times in anger, then, it said, "Good, very good. Originally, I wanted to snatch that smelly girl's room. Since you came out to throw your life away, I will snatch your room. At that time, I will be the only Black Phoenix in the world, Hahaha!"
