

The Yun Family's Ninth Child is an Imp! Chapter 3289

The pressure was getting stronger and stronger, and the giant rabbit couldn't take it anymore. Hei Xinjiu had no choice but to put it into the spirit beast pouch.

Hei Xinjiu looked up at the Wu Yun in the sky. Damn it, it was really unlucky. It was still the same Wu Yun in the day.

However, why was this Wu Yun trembling all the time? Could it be because he was very excited and excited to see her again?

If Wu Yun knew Hei Xinjiu's thoughts, he would probably be so angry that he would vomit blood! F * ck, he was angry! Angry!

Hei Xinjiu pondered in her heart. She had already deceived this stupid Yun once. She reckoned that it would not work if she continued to play dead. What should she do?

Before this fellow could think of a way, Wu Yun in the sky could not wait to strike her.

Boom! Boom! Boom!

The heavenly lightning struck Hei Xinjiu continuously, as if it wanted to kill her immediately.

When Hei Xinjiu couldn't take it anymore, she had no choice but to release da Hua.

When Wu Yun first saw the piglets in the sky, he had a disdainful look on his face. He thought to himself, these weaklings couldn't even take a heavenly lightning strike, how could they be embarrassed to release it?

However, when a bolt of lightning struck, those piglets indeed died, but da Hua appeared out of nowhere.

Wu Yun was dumbfounded. What the Hell Is This? !

Why does this smelly girl have so many strange things in her hands? !

Even so, Wu Yun did not put da Hua in his eyes. He felt that although this thing was quite big, it could not withstand one bolt of lightning.

However, one, two... ten bolts of lightning passed. Although the giant purple pig had become much fainter, it still did not dissipate.

Wu Yun was furious. Could it be that its ability had deteriorated? ! Not only could it not kill a little girl, but it could also not kill a bird, a Xiao Mogu, and a spiritual boar? !

Finally, another three bolts of lightning struck, and Da Hua finally dissipated.

Wu Yun just couldn't speak, or else he would definitely laugh three times, damn it! That damned giant pig was finally dead!

Then, Wu Yun discovered that that damned little girl had released a group of spirit power piglets. When it hacked those piglets to death, da Hua lazily appeared once again.

F * ck!

He couldn't bully Yun Like This!

They were all one-time use, but this damnable giant purple pig was using it endlessly. It was too f * cking angry!

Wu Yun could be considered to be competing with Da Hua, continuously hacking, hacking, hacking!

Although for the time being, hei xinjiu had the upper hand, but this fellow's heart was very worried.

Every time she released da Hua, she would consume a lot of spiritual power. If this continued, she would not be able to hold on for long. Moreover, this Wu Yun seemed to carry a lot of the power of lightning, and she could not withstand it at all.

It would be great if there was a place to hide, but where could she hide?

It was definitely impossible to return to a city. First of all, there was no divine weapon or place that could withstand the heavenly lightning. Moreover, if people saw her being struck by the heavenly lightning like this, she was afraid that her divine Phoenix emissary would not be able to survive.

After an hour, the spiritual power in Hei Xinjiu's body was completely exhausted. She could no longer release da Hua.

Wu Yun in the sky was very proud. Damn girl, you're so cocky! If you have the ability, then release the pig again! One comes and one dies!

At this moment, Wu Yun in the sky saw the little girl call out A... Wind-blade rabbit from the Spiritual Beast Bag? A level one wind-blade rabbit?

Is her brain not working? She had the nerve to take out a level one demonic beast?
