

## The Yun Family's Ninth Child is an Imp! Chapter 3352

Without the clear splendor of the full moon, the night sky instantly darkened. Fortunately, Crown Prince Jing Jiahong's entourage held the palace lantern in their hands. Otherwise, they would really be unable to see their own fingers.

Although Yun Chujiu was very anxious in her heart, her expression remained the same. It was not easy for her to reach the entrance of the Courier Station. Crown Prince Jing Jiahong said a few more words of concern before leaving.

Yun chujiu held the palace lamp in her hand. The sorrow in her heart flowed like a river. What should she do? Putting aside whether she would be struck to death, the courier station was filled with people. In this way, wouldn't the whole world know that she was struck by lightning?

Whether it was the East Phoenix Country or other countries, they were all very wary of heavenly lightning. If they were to know that she was someone who was not favored by Tian Dao, the position of the female Emperor of Zephyr would definitely be lost.

Yun chujiu frowned and returned to her own courtyard. The first thing she did was to chase prime minister Sima and the others out of the courtyard.

Prime Minister Sima was dumbfounded. What was wrong with Her Majesty? ! Why was she chasing them out of nowhere? ! !

Everyone could only wait pitifully at the entrance of the courtyard, hoping that their emperor would calm down and let them in.

"All of you, go to Emperor Nan Xuan's courtyard and stay there. No matter what happens later, don't come back. Do You Hear Me?" Empress Jiu's cold voice came from the courtyard.

Prime Minister Sima did not dare to disobey and quickly brought his entourage to Emperor Nan Xuan's courtyard.

Emperor Nan Xuan's courtyard was not too far from Yun Chujiu's courtyard. It was obvious that Emperor Nan Xuan did not welcome these uninvited guests. Just as he was about to go out and argue with Yun Chujiu, he saw a hole in the dark night sky as if someone had split it open, a bolt of purple lightning struck straight into Yun Chujiu's courtyard.

Emperor Nan Xuan was so frightened that he immediately pulled back his leg. Oh God, what was going on? That girl was struck by lightning? What did she do to incur the punishment of the Tian Dao?

Before Emperor Nan Xuan could come up with a clue, the purple lightning struck Yun Chujiu's courtyard one after another. Everyone in the inn looked at the courtyard in horror.

Yun chujiu sat cross-legged in the middle of the courtyard and shouted outside, "If you don't want to die, leave the inn immediately. Otherwise, you'll be struck to death by the Lightning. Don't blame me!"

Emperor Nan Xuan and the others were stunned at first, then they ran out of the inn. They didn't want to be buried with that wretched girl.

Although prime minister Sima and the others were worried about Yun Chujiu's safety, they didn't dare to disobey her orders. They could only follow Emperor Nan Xuan and the others to the outside of the inn.

Yun chujiu guessed that they had already left. Only then did she raise her head to look at Wu Yun, who was baring his fangs and brandishing his claws. She curled the corners of her lips. "Hey, Little B \* Tch Yun, do you think that without the Divine Phoenix Valley, I will be struck to death by you?"

Little B \* Tch Yun?

The dark clouds in the sky trembled. Then, the heavenly lightning struck down even more densely. You B  
\* Tch, you're dead for sure today!

Yun Chujiu said with a smile, "Chop! Chop! I haven't broken through for a long time. You're really timely, Yun! I love you to death!"

Wu Yun saw Yun Chujiu's fearless look and could not help but feel a little suspicious. Could this damn girl have thought of another way to avoid the heavenly lightning?

Wu Yun thought about it again. This damn girl had always been scheming. Maybe she was lying to it again. It could not be fooled. Put more effort into it. Today, she must be hacked to death.

Therefore, Wu Yun risked his life and hacked downwards.

Yun Chujiu released Xiao Heiniaoy and Xiao Mogu and let them carry it for her. She supported her chin and thought about it. Finally, her eyes lit up..
