

The Yun Family's Ninth Child is an Imp! Chapter 3354

Although Yun Chujiu said so, she still wandered around the back yard of the Prime Minister's mansion like a headless fly. She did not leave the Prime Minister's mansion with a string of heavenly lightning until she had broken most of the yard. Then, she went straight to the imperial palace.

After saying that, imperial chancellor Liu regretted it!

If this were to reach the ears of Emperor Mu Xuan, wouldn't he suspect that he was leading the trouble to the other side?

The more he thought about it, the more scared he became. He hurriedly ran to the imperial palace.

Liu Hanyan looked at the mess in the Prime Minister's mansion and gnashed her teeth in anger. She thought to herself that it would be best if the heavenly lightning killed that b * tch to avoid causing trouble for her.

Yun chujiu finally rushed to the entrance of the imperial palace with a string of heavenly lightning.

Although the imperial palace guards were afraid, they did not dare to leave their posts without permission. They could only say, "Your Majesty Fenghua, the Imperial Palace is an important place. You are not allowed to enter unless summoned. Please leave!"

Yun chujiu pointed at the dark cloud above her head and said, "It's not that I want to go in now, it's that it wants to go in. If you have the ability, fly up to the sky and Stop Wu Yun!"

Those guards rolled their eyes in anger. Even if they had the greatest ability, they could not stop Wu Yun!

Besides, weren't you lying through your teeth? That Wu Yun was obviously chasing after you to split. If you left the palace, wouldn't Wu Yun follow you?

Just as those guards were thinking, Boom! Boom! A few bolts of heavenly lightning struck down.

Hei xinjiu shouted at Wu Yun: "What are you splitting for? ! Didn't I tell you? It was His Majesty Mu Xuan who gave us the letter of the state, and only then did I agree to marry His Highness the Crown Prince. It was not of my own free will!"

Wu Yun thought, what a mess! It didn't care who this stinky girl married. It only had one purpose, and that was to hack this arrogant stinky girl to death!

Hei xinjiu continued, "I'll go in now and ask His Majesty Mu Xuan to take back his order. You tell Lord Divine Phoenix not to be angry with Me, okay?"

Wu Yun naturally wouldn't answer her. He just kept hacking at the heavenly lightning.

Although the gate of the palace was strong, it could not withstand the lightning!

A moment later, the gate of the palace was smashed into pieces. Hei Xinjiu rushed in.

The palace guards wanted to stop her, but when they saw the purple lightning, they were terrified!

Yun chujiu was eager for them to come up and die so that she could share a few bolts of lightning with her.

Mu Xuan had already received the news. He stood in the highest pavilion in the palace and looked at Yun chujiu rushing in with a string of purple heavenly lightning bolts. His face was slightly pale.

Could it be that the female emperor of Fenghua had really been cursed by the Divine Phoenix? Once she got married, she would be struck by lightning? What should he do?

He looked at Yun Chujiu as if she had entered an uninhabited land and his face became even paler. If the female emperor of Fenghua really rushed in front of him, he would not be able to save his life if the heavenly lightning bolts missed?

At this moment, Imperial Chancellor Liu arrived in front of Yun Chujiu through a short cut. He blocked Yun chujiu with an expression that said, "Your Majesty, Please wait for a moment. I will go and discuss with my majesty about taking back my orders."

Yun chujiu pouted in her heart and used her sleeve to cover her mouth with some red fruit juice. Then, she said weakly,

"Then you should hurry up. Although I am the Divine Phoenix Emissary, I can't withstand so many heavenly thunders. I feel that I am about to be struck to death! I will give you at most fifteen minutes. Otherwise, I will tell His Majesty personally."
