

The Yun Family's Ninth Child is an Imp! Chapter 3357

When the sky had just brightened up, Wu Yun floated away with a listless head!

Although it still wanted to continue hacking, it no longer had the power of lightning. It secretly hated that B * Tch! Let's wait and see! Sooner or later, it will hack you to death!

Yun chujiu adjusted her breathing in the flying spirit tool and changed into a set of clothes. After thinking for a while, she adjusted the level of her spiritual power to the real level five of spirit illusion. Then, she sat on the chopping board and took out the charred flying spirit tool.

Emperor Nan Xuan and the others let Yun Chujiu into the flying spirit tool and were shocked to find that she had suddenly broken through to level four. They could not help but be stunned.

Yun Chujiu said with a pretentious look, "This is also a blessing in disguise. Just now, at the critical moment of life and death, I suddenly had an epiphany. Then, the level of my spiritual power increased. Actually, I am also very helpless! "After all, the spiritual power has grown so fast that it is easy for the foundation to be unstable."

Emperor Nan Xuan and the other two were filled with jealousy and hatred. They thought to themselves, "Just keep pretending!"! Shameless!

Emperor Nan Xuan and the other two said a few words of congratulations against their hearts and then said, "Your Majesty Fenghua, does this mean that the Divine Phoenix has forgiven you? Will it not strike you again?"

Yun chujiu blinked her eyes and said, "It should be because it has calmed down. I will go and repent properly when we return to the East Phoenix Country. "However, the most important thing now is to hurry up. Otherwise, if Emperor Mu Xuan goes back on his word, he might kill us!"

Emperor Nan Xuan and the other two were stunned. “Emperor Fenghua, why do you say that? Since Emperor Mu Xuan has already asked us to leave, why would he kill us? It doesn’t make sense!”

Yun chujiu looked at the three of them as if they were idiots. “You are still so naive even after everything that has happened?” “You all heard it when we were in the restaurant. The crown prince of the Jingmu Kingdom has asked to marry me. Firstly, it’s not because of my appearance. Secondly, it’s not because I’m the Divine Phoenix Emissary. Then, what is the reason?”

Emperor Nan Xuan and the other two were confused. They could not help but ask, “Then, what is the reason?”

“I suddenly figured it out at the banquet today. It’s highly likely that the Jingmu Kingdom is trying to annex the Dongfeng Kingdom.

“Do you think that the Dongfeng Kingdom will satisfy the Jing Mu Kingdom’s Appetite? “After annexing our Dongfeng Kingdom, they will definitely Annex Your Three Kingdoms and annex all ten vassal kingdoms,” Yun Chujiu said coldly.

The expressions of Emperor Nan Xuan and the other two changed drastically. However, Emperor Nan Xuan still said, “This, this is all your one-sided guess. In fact, it might not be the case. Perhaps it’s because of your petty heart!”

Yun chujiu spread out her hands and said, “Soon, you will know whether it’s my petty heart or not. No matter what, we should leave the Jing Mu Kingdom as soon as possible.

“Oh right, I brought a bunch of thunder into the palace earlier. Do you think that Emperor Mu Xuan will be angry out of embarrassment? “Moreover, the three of you are with me. Do you really think that if Emperor Mu Xuan wants to settle the score with me, he will spare you?”

Emperor Nan Xuan and the other two were furious. You are so mean!

No wonder they were invited to the Jing Mu Kingdom. It turned out that he had no good intentions at all!

Although Emperor Nan Xuan and the other two were furious, they knew that the most important thing now was to leave the Jing Mu Kingdom as soon as possible. At most, they would settle scores with this little girl when they returned to the kingdom.

For the next two days, everything went as usual. Emperor Nan Xuan and the other two felt that Yun Chujiu was exaggerating. As the ruler of a second-class kingdom, Emperor Mu Xuan was not so petty. It was all because of the little girl's petty heart.
