

## The Yun Family's Ninth Child is an Imp! Chapter 3362

When the shadow heard the words of prime minister Sima and the others, it was still a little smug. However, when it heard Yun Chujiu's words, it was so angry that it almost fainted.

The thing that it hated the most in its life was that incident. It did not expect that this wretched girl would actually say such a vulgar thing. She simply deserved to die!

The shadow stretched out its claw and slapped Yun Chujiu, who was laughing non-stop. Yun Chujiu suddenly dodged Pi Xiu's claw to the side and shouted,

"Wait! I haven't explained it clearly, why are you so anxious? ! Don't tell me you don't dare to talk to me anymore?"

Pi Xiu snorted, "Why wouldn't I dare? !"

"Since you dare, then don't make a move first. Let's have a chat," Yun Chujiu said with a smile.

Yun Chujiu was not afraid of this so-called Pi Xiu at all. As long as it was a soul, this guy was not afraid! ! Anyway, she had qiong qi and Tao Wu, what was there to be afraid of? !

"Little stingy, let me ask you, all the demonic beasts in this valley have been eaten by you?"

Little Stingy?

Emperor Nan Xuan and the others' heads buzzed. Oh My God, aren't you mentioning the pot that is boiling? If you call this Pi Xiu a little stingy, it will definitely fly into a rage again. Aren't you looking for trouble?

“Miser?” Pi Xiu repeated unhappily.

Emperor Nan Xuan and the others thought, it’s over. This time, Pi Xiu will definitely go on a killing spree! At first, they thought that this girl had come up with a plan to delay the war, but who would have thought that she was looking for death!

“I am the most miser in the world. How can I be called Miser? You are insulting me!” Pi Xiu said in an unhappy tone.

Everyone:”...”

“The most stingy existence in the world. Is this good enough? Did you eat all those demonic beasts and cultivators?” Yun Chujiu said smoothly.

Pi Xiu was obviously very satisfied with the new title. He said proudly, “Of course. Pi Xiu’s land has access but no exit.”

“Access but no exit?” This rule is really great! This has always been my rule! Well, we can be considered to have the same idea! Once it’s in my hands, you can forget about going out again!” Yun chujiu said with sparkling eyes.

Pi Xiu immediately became excited and didn’t bother to argue anymore, he said excitedly, “You think so too? I didn’t expect you to be so knowledgeable! Those idiots all said that I was greedy. Bah! This is called, this is called...”

“Thrifty!” Yun Chujiu said eagerly.

“Yes, this is called Thrifty!” “You little girl are really not bad. You are the most knowledgeable human that I have ever seen in my life.”. “Since you think the same as me, I won’t kill you today. You can stay and talk to me in the future.”. “As for the others, don’t even think about living.”

Emperor Nan Xuan and the others felt as if their hearts were bickering with dogs. That girl only said a few words about being stingy and didn't need to die? They had to die? Was there something wrong with Pi Xiu's head?

Emperor Nan Xuan and the rest looked at Yun chujiu pitifully. She wouldn't leave them to die, right?

Yun chujiu glanced at Emperor Nan Xuan and the other two with a faint smile, then, she turned to look at Pi Xiu. "I still have a lot of things to do. I Can't stay with you. Also, these people are with me. They can't stay either."

Pi Xiu was instantly enraged when he heard Yun Chujiu's words! However, he rolled his huge eyes and continued, "It's not impossible for you to leave if you want to. You can leave if you keep Little Pi Xiu here."
