

The Yun Family's Ninth Child is an Imp! Chapter 3448

As soon as little nine finished speaking, she felt the coldness emanating from a certain person. The person said pitifully, "It's fine if you don't want to. I don't usually beg others for things that I can do myself."

Little nine stretched out her fleshy claws to grab the ribs that were furthest away from her. As the distance was too far, and her small arms were short, she was practically sprawled on the table. Even the small stool under her feet was on the verge of collapsing..

Seeing that little nine was about to fall to the ground, a certain someone grabbed little nine by her collar and lifted her up. Little nine immediately struggled like a little bastard. "Put me down, I want to eat meat!"

"You want to eat back in your own room!" A certain someone grabbed little nine and directly threw her into her own cabin, then slammed the door shut with a bang.

Little Nine:"..."

A certain honored guest returned to his own cabin and saw the mess on the ground. His gaze was slightly cold. He waved his sleeves, and even the carpet on the ground was replaced with a new set. Only then did he continue to meditate and cultivate.

After a short while, a certain honored guest felt that there was someone peeping at the door. He frowned slightly. He didn't need to look to know that the person peeping was definitely that little rascal.

Little Nine, who was peeping through the gap of the door, cursed silently. It was nothing more than a heartbreaker, a scumbag, and someone without a conscience. After cursing for a while, she saw that the certain someone was not paying attention to her, she could only take her short legs and return to her cabin.

This fellow was so frustrated that she made herself look like a little kitten. She was also unable to get that Heartbreaker to feed her. It was as if she had thrown a stone at her own feet. She was extremely depressed!

However, very quickly, a crafty look flashed across this fellow's eyes. "HMPH! If you don't feed me, then I'll let you sleep with me."

After little nine had washed her face, she pushed open the cabin door of a certain someone with her short legs.

A certain someone finally opened his eyes and looked at her. "What's the matter?"

Little nine staggered a few steps and then pounced on a certain someone.

A certain someone wanted to slap her away, but looking at her small body, he reckoned that she would be seriously injured if he slapped her. He could only use his hand to support her. "What are you doing?"

"Big Brother Bei Ming, I Can't sleep. Sing a lullaby for me!" Little Nine said as she blinked her starry eyes.

A certain someone's expression turned even colder. "If you can't sleep, then cultivate!"

Little Nine:"..."

Damn it! This psychopath wasn't just any ordinary difficult person to deal with!

Little nine pursed her lips, sat down cross-legged next to a certain someone, and began to cultivate.

Of course, this fellow's intentions weren't in the wine. After a short while, his body fell in the direction of a certain someone.

Seeing that he was about to lean on a certain someone's body, a certain someone stood up and changed places. The miserable little nine fell to the ground with a thud.

Little Nine was so angry!

She punched the ground a few times with her small fists and pointed at a certain someone with an aggrieved expression. "Are you still human? ! I'm so young now, and you're still bullying me like this!"

The certain someone acted as if he didn't hear her and didn't even look at little nine.

Little Nine was instantly discouraged. Talking to an emotionless ice sculpture was simply a waste of time. F * ck, go to sleep!

Little nine took out a blanket and pillow and fell asleep on the ground. Soon, she fell asleep soundly.

After a certain someone felt that Little Nine's breathing was stable, he opened his eyes and glanced at her. Then, he closed his eyes and continued to cultivate.

The next morning, Little Nine was alive and kicking again!

"Prince Charming, where's the ghost face orchid? How long will it take us to get there?" This guy was too lazy to call him Daddy and brother Beiming to tease a certain someone.
